However, this does not apply to elected union officials that are members of the team.

ARTICLE 9 - UNION STEWARDS

Sec. 1: Stewards or Alternate Stewards may investigate and discuss grievances and contract questions or complaints during working hours in their respective areas; provided, however, they first receive permission of the Division Head or, in his absence, his designee. When a grievance reaches step 2/3, the Chief Steward and the Steward or the Alternate Steward may participate in grievance processing during the Steward's working hours.

ARTICLE 10 - WAGES

Sec. 1: The Wage schedule contained in Appendix B - Tier A shall apply to all employees hired prior to July 15, 2009.

Sec. 2: The wage schedule effective October 1, 2000 (*Appendix B – Tier A*) shall contain a differential of 2½% between each pay grade. The 2½% differential shall be maintained for the duration of this agreement. Each pay grade shall contain a minimum of ten (10) steps with a differential of 2½% between each step.

Sec. 3: The parties agree to create a second wage schedule that is contained in Appendix B – Tier B, which shall be applicable solely to employees hired on or after July 15, 2009. The wage schedule shall contain a differential of 2 1/2% between each pay grade. The 2 1/2% differential shall be maintained for the duration of the agreement. Each pay grade shall contain 18 steps with a differential of 2 1/2% between each step.

Sec. 4: The wage schedule for all bargaining unit employees shall be increased as follows:

October 1, 2008	0%
October 1, 2009	2.5%

The October 1, 2010 wage schedule increase was suspended for all employees as set forth in the Memorandum of Understanding executed by the parties in October, 2010 (the "2010 MOU"). To address the financial urgency declared on May 18, 2011 for FY 2011, effective June 13, 2011, the wage schedule was reduced by seven and one-half percent (7.5%) for only those unit employees who are paid out of the City's General Fund and/or other funds, with the exception of the Water and Sewer Utility, Stormwater Utility, Parking, and Sanitation funds ("Enterprise Funds").

To address the financial urgency in the City's General Fund Budget for FY 2012, the wage increases that were suspended via the 2010 MOU from October 1, 2010, were eliminated effective October 1, 2011, for all unit employees except those employees in Enterprise Fund positions; and the seven and one-half percent (7.5%) wage schedule reduction implemented to address the financial urgency for FY2011 was continued for all unit employees except those employees in Enterprise Fund positions.

Through the wage/merit pay reopener in the 2010 MOU, and the related impasse proceedings under Chapter 447, Florida Statutes, the 2.5% wage increase paid on October 1, 2011 was eliminated for all employees including the employees in the Enterprise Fund, and the wages for those Enterprise Fund employees who received the 2.5% wage increase on October 1, 2011 were prospectively decreased by 2.5%, effective September 19, 2012.

ARTICLE 11 - ASSIGNMENT PAY

Sec. 1: An employee assigned to temporarily assume the majority of duties and responsibilities of an incumbent employee with a classification of a higher pay grade shall receive a two (2) pay step increase in salary for the time actually assigned to the classification. However, should the temporary assignment continue for twenty-five (25) working days or more, the employee will continue to receive a two (2) pay step above the employee's current straight time rate, or the minimum salary range, for the position filled, whichever is higher. Temporary assignments that continue for more than ninety (90) days will be evaluated by the City and the Union. The continuation of assignment will be by mutual consent. See also Letter of Understanding dated July 25, 2000 which is incorporated into this Article.

Sec. 2: In the event an employee is assigned to work in a vacant position within a classification of a higher pay grade, the employee will receive the minimum of the salary range or a two (2) pay step above the employee's current straight time rate, or the minimum salary range of the position filled, whichever is higher. For the purpose of this provision, a vacant position is one in which there is no incumbent assigned.

Sec. 3: A vacant position within a Civil Service classification that has been staffed by assignment for ninety (90) days will be evaluated to determine if the position should be filled on a permanent basis. In no circumstance shall the vacant position revert back to the assignment pay status unless by mutual agreement between the City and the Union.

Sec. 4: Provided, however, that this Article shall not apply to time periods of less than four (4) hours.

ARTICLE 12 - LEADWORKER PAY

Sec. 1: Employees given assignments by the Department or Division Head as leadworkers in responsible charge of a crew or work unit, consisting of at least two (2) employees other than the designated leadworker, will receive additional compensation in the amount of two (2) pay steps above their base hourly rate. The Human Resources Division will conduct a study to determine the feasibility of whether a leadworker position should be created. This study will be done in conjunction with the appointment and will be completed within ninety (90) days.

Sec. 2: Responsible charge shall be defined as having temporary supervisory powers and operating within the Chain of Command between the crew or work unit supervised and the immediate-supervisor of the Employee. Employees, whose duties and responsibilities normally include supervision, will not be covered by this section.

Sec. 3: There shall be an equal opportunity to be assigned to leadworker status.

Sec. 4: In no case shall leadworker appointment exist for more than ninety (90) days where a Civil Service Classification does not exist.

Sec. 5: The parties agree that a classification for leadworker will be established where appropriate. The City agrees to create the appropriate classification, job description and pay grade. The position will be announced as "closed promotional" and filled from an eligibility list.

ARTICLE 13 - CERTIFICATION PAY

Sec. 1: Plant Operator I, Plant Operator II, and Utility Shift Supervisor will continue to receive a two (2) pay step differential above their base rate of pay upon attainment of their State of Florida, Department of Environmental Protection, Water or Wastewater Treatment Plant Operator Certification (Class C license). Sec. 2: Any certified Plant Operator I, Plant Operator I – Rotator, Plant Operator II, or Utility Shift Supervisor who attains a State of Florida, Department of Environmental Protection, Water or Wastewater Treatment Plant Operator Certification Class B license will receive an added one step (2 1/2%) differential over the Class C entitlement.

Sec. 4: Utility Operations Supervisors, Senior Utilities Field Technicians and Utilities Field Technicians shall receive a one (1) step pay (2.5%) differential above their base rate of pay upon the attainment of each of the following certifications based upon the subsequent schedule and guidelines.

a. Utilities Field Technicians - 2.5% per "C" Certification (water, sewer or stormwater) to a maximum of 7.5% above base pay rate. "C" certification incentives shall be specific to the Utilities Field Technician Classification. Promotion or transfer to a Senior Utilities Field Technician or Utility Operations Supervisor will include, if a "C" Certification has/had been attained, a maximum 2.5% certification incentive pay. Any and all other incentive pay will cease.

b. Senior Utilities Field Technicians - 2.5% per "B" Certification (water, sewer or stormwater) to a maximum of 5% above base pay rate. "B" certification incentives shall be specific to the Senior Utilities Field Technician classification and the

Utility Operations Supervisor only and shall include a maximum of 2.5% for having attained a "C" Certification. Promotion to any position other than Utility Operations Supervisor will cease any and all incentive pay.

c. Utility Operation Supervisors - 2.5% per one (1)"B" and 2.5% for one (1) "A" Certification (water, sewer or stormwater) to a maximum of 5% above base pay rate. "A" and/or "B" certification incentives shall be specific to the Utility Operations Supervisor ("B" also to S.U.F.T.) and shall include a maximum of 2.5% for having attained a "C" Certification. Promotion and/or transfer to any other position(s) will cease any and all incentive pay.

Sec. 5: Beginning July 15, 2009, Treatment Plant Mechanic I, Treatment Plant Mechanic II, and Chief Utility Mechanics, who have attained "A", "B", or "C" certifications prior to July 15, 2009, shall receive certification pay as specified in Section 4 of this Article. Employees in these positions hired on or after July 15, 2009, will receive certification pay, upon attainment of the Certification, if the Certification is required by the City.

Sec. 6: If a CDL (Commercial Driver's License) is required, the City will reimburse the individual for the required license fees for the initial testing and renewals. For the purpose of testing/practicing a City vehicle will be provided upon approval of the Department Head.

Sec 7: In this Article, use of the terms "Class A, Class B, Class C, as well as the terms "A" Certification, "B" Certification, and "C" Certification" shall be considered interchangeable with the corresponding terms of "Level 1, Level 2, and Level 3" (e.g., the term "Class A" and the term "A" Certification are the same as the term "Level 1" as used in this Article, etc.

ARTICLE 14 - WORK SCHEDULING AND OVERTIME

Sec. 1: The current normal workweek for all full-time employees shall consist of forty (40) hours per week. Under no circumstances will benefits/rights associated to full-time employees be reduced or modified if the workweek is altered. The normal workweek for all full-time employees shall consist of forty (40) hours per week, beginning with the employee's first regular shift. The normal workday shall consist of eight (8) or ten (10) consecutive hours of work in the twenty-four (24) hour period. The City may, through a written Letter of Understanding mutually agreed upon with the Union, create a work schedule for police telecommunication employees that will include twelve (12) hour workdays. The employer shall provide to the Union a list of all bargaining unit employees who currently work a ten (10) hour day.

Sec. 2: The employer reserves the right to designate a change in the work schedule, weeks, days, hours and shifts of its employees; however no individual employee shall have his/her work schedule or day off schedule changed for the purpose of avoiding the payment of overtime, nor shall any changes in work schedule be made in an arbitrary or capricious manner. In any event, notice of not less than ten (10) working days shall be given to the affected employees and an authorized representative(s) of the Union. Upon the request of the employee or the Union, the employer agrees to meet and confer with the above referenced Union Official(s) and/or the employee. Should the City not comply with the notice requirements, and if appropriate, the above referenced meeting, the employee schedule will not be changed. Further, scheduling changes will not be used for disciplinary purposes.

Sec. 3: Work schedules and regular days off can be changed to provide manning for any unforeseen emergencies. The parties mentioned above will be notified as soon as practicable.

Sec. 4: The employer and the Union recognize that certain type of activities operating on a continuous basis require different treatment as to hours worked, and agree that in those instances, an eight (8) consecutive hour shift, including lunch period, and breaks per Article 19, may be allowed. In the Public Works Department, personnel assigned to beach maintenance will be permitted to operate in a flexible but not split shift

work schedule. In the Recreation Division, program supervisors and staff will be permitted to operate in a flexible but not split shift work schedule. Personnel assigned to ball field maintenance in Public Works will be permitted to operate in a flexible but not split shift work schedule for such events that occur sporadically. Employees assigned to the Police Department who are ordered to extended standby by the Court Liaison Officer, will receive one (1) hour of compensatory time at straight time, for such inconvenience. This section shall not apply if the employee is called into court during this period and callback pay is provided as in (Sec. 5).

Sec. 5: An employee who is called into work outside his normal work schedule will be guaranteed a minimum of three (3) hours pay at the time and one-half rate regardless of the number of hours worked during the work week. This does not apply in the case of scheduled overtime, or if the call-out occurs within one (1) hour of the start of the employee's normal work schedule.

Sec. 6: Opportunities to work overtime will be distributed as equally as practicable among employees in the same job classification in the same work section and area starting with the most senior employee, provided the employees are qualified to perform the overtime work required. Overtime and compensatory time opportunities will be recorded and maintained. These records will be available for review by the Union and employees. If an employee establishes that he/she has not received his/her fair share of overtime opportunities, such employee shall have first preference to future overtime work.

Sec. 7: Scheduling for overtime and holiday work in the Water/Waste Water Treatment Plant shall be assigned from a rotation list composed of qualified operators grouped by classification, provided a certified operator is on duty at all times, assigned to the Main Control Room. Qualified, certified supervisory personnel may be called upon, at the discretion of Management, for appointment to overtime or holiday work based upon the unavailability of employees with the Operator classification.

Sec. 8: By mutual agreement between the employer, the Union and the employee involved, compensatory time at the appropriate rate may be granted in lieu of premium overtime pay. Sec. 1: Persons employed by the City in a Civil Service position shall serve a six (6) month probationary period ("Original Probationary Period") following their initial appointment. Employees shall be reviewed on or before the end of the "Original Probationary Period" to determine the suitability of a regular appointment. Following the completion of the "Original Probationary Period", the employee will be rated according to one of two categories:

Unsatisfactory

Satisfactory

Employees who are "Unsatisfactory" will be dismissed from employment. To address the financial urgency in the City's General Fund Budget, effective October 1, 2011, all merit pay increases were eliminated for all bargaining unit employees except those employees in Enterprise Fund positions. Through the wage/merit pay re-opener negotiations provided in the 2010 MOU, and the related impasse proceedings under Chapter 447, Florida Statutes, merit pay was eliminated prospectively for all employees including those in Enterprise Fund positions during FY 2012 (between October 1, 2011 and September 30, 2012) was also prospectively eliminated, and the pay for the employees in those Enterprise Fund positions who received a merit pay increase during FY 2012 will be reduced prospectively by 2.5% effective September 19, 2012. On or before the completion date of the Promotional Probation Period, the employee shall be evaluated to determine if he/she is "Unsatisfactory" or "Satisfactory." "Unsatisfactory" employees shall be returned to their previous position or classification, whichever is first

available. "Satisfactory" employees will continue on in their new position with a regular appointment. There shall be no additional pay increases at this time. Those employees who are successfully promoted must remain in their new position for minimum period of twelve (12) months before being eligible for another promotion. Promotions to new positions shall not change the annual salary review date of the employee.

Sec. 4: Twelve (12) months (or eighteen months (18) for employees hired on or after July 15, 2009) from the completion of the "Original Probation Period," and annually thereafter, the full-time Civil Service employee shall be evaluated.

Sec. 5: Employees who receive an "Unsatisfactory" evaluation shall be re-evaluated within ninety (90) days of the evaluation. Employees who continue to be "Unsatisfactory" shall be counseled and provided a detailed written explanation as to why the performance continues to be "Unsatisfactory". The employee shall be given additional direction and guidance on how to improve. The employer has the option to continue to evaluate the employee and to warn the employee that repeated sub-standard performance is a violation of the City of Hollywood's Work Rules.

Sec. 6: Employees who do not agree with their performance review may appeal to the Department Head or Office Director and, if not resolved, to the Human Resources Director, but may not make use of the grievance or arbitration procedure. If an employee receives two consecutive performance reviews with which the employee disagrees, the second such review shall be grievable and arbitrable at the employee's option. The disposition of the grievance will be placed in the employee's personnel file.

Sec. 7: Effective October 1, 2003, the City and the Union agree to begin using the Performance Now appraisal system for all bargaining unit members. Sec. 8: The parties recognize that a performance review system is an orderly procedure that provides an employee appropriate performance feedback. Therefore, a performance review may be conducted at any time during an employee's employment. The system is not intended to be punitive oriented. Continued failure on

the part of the employee to take direction and guidance from a performance evaluation may or may not lead to disciplinary action.

Sec. 9: If the employee's performance review is not completed by the employee's annual review date it shall be assumed the employee's review was satisfactory.

Sec. 10: Regular part-time employees shall be evaluated after completion of the original probationary period of 1040 hours using the same methodology as defined in Section (4) and (5) above.

Sec. 11: An employee's probation shall be suspended for the period of a Workers' Compensation injury. Upon returning to duty, the employee shall have thirty (30) days or the period of remaining probation, whichever is greater, to establish job performance toward regular appointment.

Sec. 2: In order to be granted time off, an employee must sign a Voting Roster five (5) working days before the election date, and present a valid voter's registration card. The City and the Union agree that in the event that new classifications are added to the pay plan or position titles are changed, those positions and any existing position titles which are determined by the City and/or Union to be potentially at risk, shall be entitled to receive the immunizations as provided herein, with agreement of the City.

ARTICLE 26- WORK RULES

Sec. 1: All rules and regulations in effect on the effective date of this Agreement will remain in full force and effect for the duration of this Agreement unless modified in accordance with the provisions of this article.

Sec. 2: The City will issue a copy of the Rules and Regulations to each new employee, upon hire, who is subject to those Rules and Regulations. Each employee will provide written acknowledgment of his/her receipt of the Rules and Regulations and will be held accountable for compliance therewith.

Sec. 3: In the event that the City wants to institute a new work rule or modify an existing work rule ("Proposed Rule"), the City may do so pursuant to the following procedure:

- a. The City shall provide a copy of the Proposed Rule to the Union.
- b. The Union may request, within 10 working days of receipt, to negotiate over the Proposed Rule if the Union claims that the Proposed Rule affects wages, hours of work and other terms and conditions of employment or has the practical consequence of violating this Agreement.
- c. If no request for negotiation is made within 10 working days from the time the Union receives the Proposed Rule, the Proposed Rule may be implemented by the City.
- d. If a request to negotiate is timely received with respect to a Proposed Rule, the City and the Union shall meet in an attempt to mutually agree upon the Proposed Rule.
- e. If the parties agree on the Proposed Rule, the rule will be implemented as agreed upon.
- f. In the event that the City and the Union fail to agree on a Proposed Rule, and providing the Proposed Rule meets the standards in paragraph b, the dispute shall go to arbitration. The arbitration shall be expedited and the arbitrator shall be requested and mutually agreed to, by both parties, to make a prompt award without a written opinion. If the arbitrator finds that the Proposed Rule violates the specific written terms of this Agreement or is unreasonable, then the Proposed Rule shall not be

implemented. The Proposed Rule shall not be implemented until after the arbitrator's award is received and then only if the City prevails.

Sec. 4: There shall be a single set of Rules and Regulations applicable to all employees of the City. This shall not prohibit any department from adopting written operational procedures specific to the needs of that department. Written operational procedures established by any Department shall be distributed to all employees in that department. Each employee will be provided with the operational procedures and acknowledge in writing his/her receipt of such written operational procedures. Copies of departmental written operational procedures shall be provided to the Union. In the event of a conflict between written operational procedures and the single set of Rules and Regulations, the single set of Rules and Regulations will control.

ARTICLE 27- UNION BULLETIN BOARDS

Sec. 1: The Employer will make available to the Union a minimum of twenty (20) 2' x 2' Bulletin Boards to be used for the posting of Union Notices and other Union information. The Union and Management will agree upon the location of said boards. However, such bulletin boards will not be placed in areas readily accessible to the general public.

Sec. 2: Notices will be posted only with the prior approval of the President of Local 2432.

ARTICLE 28- LAY-OFF AND RECALL

Sec. 1: Seniority lists shall be established for each class title affected by a lay-off or abolishment of positions. All regular employees occupying positions in the affected class title shall be placed on a seniority list. In the event it is necessary to reduce the workforce, including abolishment of positions, employees shall be laid off in inverse order of seniority, i.e., junior employees first.

Sec. 2: An employee who is laid off or whose job is abolished pursuant to Sec. 1 shall, based on City-wide seniority, have the option of bumping either laterally or downward to a class title for which the employee is reasonably qualified and/or has the ability to be trained to perform the essential tasks of the job within ninety (90) days of appointment. In the alternative, employees may, at the non-arbitrary discretion of the City Manager, be placed into a higher paid class title if qualified. Qualification criteria shall be based upon the approved position description.

Sec. 3: In the event of a lay-off, the City will make every effort to give as much notice as possible. In no event will employees receive less than a three (3) week notice of lay-off, or, in lieu of notice, three (3) weeks pay at the employee's regular rate of pay in addition to all paid accrued leaves. The Union shall be furnished copies of all lay-off notices three (3) days prior to notices being furnished to the affected employees.

Sec. 4: Employees laid-off, demoted or transferred due to the exercise of their bumping rights or due to being bumped or whose positions are abolished, shall be placed on recall lists and recalled in order of seniority. Re-appointment shall be to any vacancies which exist, first, in the class title from which the employee was laid-off; and second, in any position for which the employee is reasonably qualified and possesses City-wide seniority. Laid-off employees shall have the first right to recall for vacancies in the class title from which they were laid-off.

Sec. 5: Any employee, whose name is listed on a recall list, who refuses appointment to a position with a lower paygrade, will have up to four opportunities to be rehired to a class title with a lower paygrade for a position for which the employee is reasonably qualified. If there is more than one position available, the employee shall be given the option of choosing the one equal to or closest to his/her former pay grade. If all

four opportunities are declined, the employee shall have no further right to recall to a class title with a lower paygrade.

Sec. 6: Employees refusing re-employment in a class title with an equal or higher paygrade shall have no further rights to recall for that class title.

Sec. 7: Employees refusing recall to their originally held class title and paygrade lose all recall rights.

Sec. 8: The City will provide the Union with the entire City recall list, bi-annually. The list will include dates of hire, dates of lay-off, classification(s) the laid off employee previously held and the name of the Department, Division or Office in which the employee worked on the date of the lay-off.

ARTICLE 29- GRIEVANCE PROCEDURE AND ARBITRATION

Sec. 1: (a) The City and the Union have negotiated a grievance procedure to be used for the settlement of disputes involving the interpretation or application of the collective bargaining agreement. Such grievance procedure shall have as its terminal step a final and binding disposition by an impartial neutral, mutually selected by the parties. However, an arbitrator or other neutral shall not have the power to add to, subtract from, modify, or alter the terms of the collective bargaining agreement.

(b) The Union may exercise its right not to process a grievance of a non union member. Any employee whose grievance has been declined by the Union at Step 1 of the grievance procedure may elect to process his grievance on his own. In such case, the Union will notify the member and the City and upon such notification, the City shall thereafter conduct all official communication directly with the aggrieved employee(s), with a copy to the Union including dates of any hearings. Nothing in this section shall prohibit the Union from participating at any grievance step when it deems it necessary to protect the integrity of this Collective Bargaining Agreement.

Sec. 2: Any grievance defined as a claim reasonably and suitably founded on a violation of the terms and conditions of this Agreement, shall systematically follow the steps outlined below as the Grievance Procedure. Any grievance filed shall refer to the article(s) of this Agreement alleged to have been violated, and shall set forth the facts pertaining to the alleged violation or violations and shall include the corrective action or actions requested by the aggrieved party. A grievance must be communicated in writing to the employer by the Union within fourteen (14) calendar days from the events giving rise to the grievance or as soon as might reasonably be known to exist, otherwise it is deemed to be waived.

Step 1: The Union shall present in writing the grievance to the Department Director or his/her designee. The grievance will be dated and signed by the Union representative. The Department Head or his/her designee shall acknowledge receipt of the grievance by stamping it with the date and time, with a copy to the Union. The Department Head shall, within seven (7) calendar days conduct a meeting between

himself/herself, the aggrieved employee(s) and the Union representative. The Department Head shall give the decision to the Union in writing, with a copy to the aggrieved employee(s) not later than seven (7) calendar days following the meeting date.

Step 2: If the Union is not satisfied with the decision rendered at Step 1, the Union may, within seven (7) calendar days from the written decision rendered at Step 1, forward the written grievance to the office of the City Manager (stamped in with date and time). The City Manager or his/her designee shall meet with the aggrieved employee(s) and his/her Union representative(s) within seven (7) calendar days after receipt of the grievance. The City Manager or his/her designee shall furnish a copy of his/her decision, in writing, to the Union, with a copy to the aggrieved employee(s) within seven (7) calendar days after the meeting.

Step 3: If the Union is not satisfied with the decision rendered at Step 2, the Union may, within fourteen (14) calendar days from receipt of the City Manager's decision, submit the grievance to arbitration, by requesting a list of arbitrators from the Federal Mediation and Conciliation Service (F.M.C.S.) or the American Arbitration Association (AAA), the choice of agency within the discretion of the Union.. The award of the arbitrator shall be final and binding on all parties.

Sec. 4: Rules for Grievances and Arbitration processing:

(a) The grievance shall be submitted on an Official Grievance form. Attachments may be added, if needed.

(b) Time limits at any step in the grievance process may be extended only by mutual written consent of the parties involved at that step.

(c) A grievance not advanced to the higher step within the time frames provided shall be deemed permanently withdrawn as having been settled on the basis of the decision most recently given. Failure on the part of the employer or his/her designee to answer or meet within the time limits provided at Step 1 or 2 will cause the grievance to be considered resolved in favor of the grievant or the Union and all parties will abide by the "corrective action or actions requested" on the grievance form or attachments.

(d) Notice that a grievance shall be advanced to the next point in the process shall be given by (a) hand delivery or (b) certified mail, return receipt requested or (c) in the case of notice to the Union by date stamping and depositing in the Union mailbox in

the Human Resources Division. Hand deliveries will be documented by a date-stamped photocopy or by a dated signature of the recipient. Grievances delivered via certified mail shall be considered properly advanced as of their postmark, but shall not be considered to have been received by the next party until the actual date of delivery or date of refusal of delivery. Grievances deposited in the Union mailbox shall be considered properly advanced when date stamped, but shall not be considered received until picked up by the Union, as indicated by date stamp, with a copy to the City. The clock will start the day after delivery or pick up.

(e) On-duty personnel called by the Union as a witness shall remain in pay status only during their normal duty hours while appearing at the hearing. Such personnel shall respond to subpoena on as-needed basis to minimize waiting time so as not to disrupt the operations of their department. Hearings shall be held in hearing rooms provided by the City, in City facilities at no charge to the Union.

(f) The parties agree that in accordance with current practice, both the City and the Union will have the option of electronically recording (through audio or video tape) all steps of the grievance procedure as outlined in Section 2 above, including the arbitration hearings.

(g) The arbitrator's bill shall be paid by the party that does not prevail.

(h) All employees covered by this Agreement shall have no other right to utilize any appeal process, (specifically the Civil Service Procedure) other than the grievance procedure described herein.

(i) The City shall furnish the Union with copies of grievances filed by non-Union members as soon as practicable but in no event less than two days prior to the initial meeting of the grievance procedure.

(j) Grievances shall be settled as expeditiously as possible.

(k) The parties understand that, failure to discuss and process grievances in good faith is a violation of 447.501(1) and (f).

The initial period of absence shall not exceed four (4) months. Upon further written request, the Department Head may extend such leave up to an additional eight (8) months. The total combined leave of absence shall not exceed twelve (12) months. Upon return, the employee shall present a letter from his/her physician stating that the employee is fit to return to full, unrestricted duty. Additionally, seniority will continue to accrue as if the employee remained in full duty status.

Sec. 5: An employee who incurs such a temporary medically disabling condition during a probationary period and is granted an unpaid leave of absence as indicated above, shall have his/her probation suspended at that point. Upon the employee's return to work, the probationary period shall be resumed so that the appropriate total of six (6) months is spent in a probationary status.

Sec. 6: Upon the birth or adoption of a child, the male employee may request and shall be granted an unpaid leave of absence for one (1) week (40 hours).

Employees shall have the right to use accrued vacation leave for this time off. This section shall apply to a female employee only in the case of adoption.

Sec. 2: If any provision of this Agreement, or the application of such provision is in conflict with existing mandatory Federal or State Laws, or mandatory provisions of the City Charter, such provisions shall be renegotiated and the appropriate mandatory provisions shall prevail.

Sec. 3: If any provision of this Agreement, or the application of such provision, is increased or modified by action of the State Legislature, the parties agree to immediately reopen negotiations on that provision and that both parties agree to negotiate in good faith to reach an expedient resolution. If after the issue is raised by either party and no agreement has been reached within sixty (60) days, both parties agree to commence impasse resolution proceedings.

or reprimanded, in writing, to improve deficient job performance. To this end, the following procedure will apply: When the supervisor calls the employee in to review a performance evaluation that is less than satisfactory in whole or in part, he/she is to so advise the employee who shall then be entitled upon request to have the Shop Steward present (or the Chief Steward if it is the Shop Steward himself/herself); the Steward (or Chief Steward) shall not interfere in the conduct of the meeting nor shall he/she question or raise questions to the supervisor. Any employee whose discipline involves suspension, demotion or termination shall be notified that they will be called in for a disciplinary session not later than midday of the previous day so that the employee may arrange for union representation if he/she so chooses.

Sec. 3: The City agrees to furnish the Union with a copy of any written disciplinary action notice issued to any employee in the Bargaining Unit.

Sec. 4: Employees shall receive copies of Performance Reviews (Evaluations), Statements and all disciplinary action at the same time the documents are filed in the Employee's personnel folder.

Sec. 5: Discipline and/or counseling will be carried out in a manner which does not embarrass or humiliate the employee and shall be imposed by the City no later than forty-five (45) days from the time the City, including immediate supervisors and any other supervisors and any other superiors in the employee's chain of command outside of the bargaining unit, knew or should have known of the violation. Any imposition of discipline shall be within the aforesaid 45 day rule regardless of the duration of time that it takes for the City to complete any and/or all investigation of the alleged violation(s).

The 45 day rule in the aforesaid paragraph shall be applicable to all City employees except those employed by the Police Department. Discipline imposed upon employees employed by the Police Department when the alleged violation is being investigated by Internal Affairs shall be imposed within ninety (90) days from the time the Police Department, including immediate supervisors and any other superiors outside of the bargaining unit in the employee's chain of command, knew or should have known of the alleged violation. Any imposition of discipline shall be within the aforesaid 90 day rule regardless of the duration of time that it takes for the Police Department to complete any and/or all investigations of the alleged violations.

Discipline imposed upon employees employed by the Police Department which involve alleged violations which are not investigated by Internal Affairs but by another

investigatory arm of the Police Department shall be imposed within 45 days from the time that the Police Department, including immediate supervisors and any other superiors outside of the bargaining unit in the employee's chain of command, knew or should have known of the alleged violation. Any imposition of discipline shall be within the aforesaid 45 day rule regardless of the duration of time that it takes for the Police Department to complete any and/or all investigation of the alleged violations.

Sec. 6: In disciplinary action appeals from discharge, suspension or demotion, if the action is reversed through an arbitration, then, all reference to the allegations, including but not limited to those contained in the Employee's personnel file shall be boldly marked with the word "Rescinded" across the body of the writing/documents.

Sec. 7: If an employee does not repeat the offense leading to a written reprimand, for a period of 12 months from the date of the written reprimand, all record of that written reprimand shall be removed from the employee's personnel files. Unsustained or unfounded citizens' complaints shall also be removed.

Sec. 8: Whenever the imposed discipline is in the form of a suspension without pay, the employee may elect to forfeit accrued vacation, blood, compensatory or holiday leave, if any, equal to the suspension, in lieu of the loss of pay; if the employee elects this option, such election shall be conditioned upon full waiver of any and all rights to appeal the suspension.

Sec. 9: Employee suspensions will not be served until at least fourteen (14) calendar days after the final date of notification. On January 30, 1998, the City of Hollywood (City) filed a unit clarification petition seeking to clarify a wall-to-wall bargaining unit represented by Hollywood, Florida, City Employees, Local 2432, AFSCME (AFSCME). See Hollywood Municipal Employees Local 2432 v. City of Hollywood, No. 8H-RA-753-0157 (Fla. The hearing officer recommended that the Commission should clarify certification 151 in accordance with the parties' stipulations as follows:

EXCLUDED: All Fire Fighters, Police Officers, supervisory (attachment A), professional (attachment B), managerial (attachment C), and confidential (attachment D) employees, temporary employees who are employed in their job titles one year or less, grant employees who are employed in their job titles one year or less, and seasonal employees working less than 130 days per year.

In our review of the recommended order and the parties' stipulations, we note that the parties have described certain personnel as "temporary employees" who have been employed in excess of one year. Thus, the term temporary employees as used by the parties is not the same as the term of "temporary employees" which is traditionally used by the Commission to designate employees who have no reasonable expectation of continued employment. The Commission commonly excludes traditionally defined temporary employees from units of regular employees. See e.g., Industrial and Public Employees Local 1988 v Marion County Board of County Commissioners, 13 FPER ¶ 18000 (1986). Therefore, in accepting the parties' stipulation that temporary employees are

properly included in the unit, we are limiting this holding to the facts in this case.

The parties have also stipulated to their own definition of the term "seasonal employees." This term has traditionally been used to describe employees who are hired on a short term or sporadic basis and such employees are usually excluded from bargaining units of regular personnel. See, e.g., Binellas County Public Employees Association v. City of St. Petersburg Beach, 10 FPER ¶ 15142 (1984). We have previously accepted the definition of seasonal employees reached by the parties, and therefore, agree that these employees are appropriately excluded from the bargaining unit. See Florida Public Employees Council 79, AFSCME v. City of Jacksonville, 13 FPER ¶ 18273 (1987).

The Commission agrees with the hearing officer's analysis and recommendation. Accordingly, the petition for unit clarification is GRANTED, and Certification 151 is clarified as noted above.

This order may be appealed to the appropriate district court of appeal. A notice of appeal must be received by the Commission and the district court of appeal within thirty days from the date of this order. Except in cases of indigency, the court will require a filing fee and the Commission will require payment for preparing the record on appeal. Further explanation of the right to appeal is provided in Sections 120.68 and 447.504, Florida Statutes, and the Florida Rules of Appellate Procedure.

Alternatively, a motion for reconsideration may be filed. The motion must be received by the Commission within fifteen days from the date of this order. The motion shall state the particular points of fact or law allegedly overlooked or misapprehended by the Commission, and shall not reargue the merits of the order. For further explanation, refer to Florida Administrative Code Rule 18D-15.005.

It is so ordered:

HOLLYWOOD, FLORIDA, CITY
EMPLOYEES, LOCAL 2432,
AFSCME,

Petitioner,

v.

CITY OF HOLLYWOOD,

Respondent.

Case Nos. UC-2000-019
UC-2000-020
UC-2000-021

ORDER GRANTING UNIT
CLARIFICATION

Order Number: OOE-203
Date Issued: November 1, 2000

George H. Tucker, Coral Springs, attorney for petitioner.

James Carricella, Hollywood, representative for respondent.

On July 6, 2000, the Hollywood, Florida, City Employees, Local 2432, AFSCME (Local 2432) filed unit clarification petitions seeking to clarify three bargaining units of City of Hollywood (City) employees it currently represents. See Hollywood Municipal Employees, Local 2432 v. City of Hollywood, No. 8H-RA-753-0157 (Fla. PERC Oct. 22, 1975) (wall-to-wall bargaining unit, certification no. 151), clarified, 8 FPER ¶ 11101 (1980), clarified, 20 FPER ¶ 25083 (1994), clarified, 24 FPER ¶ 29278 (1998); Hollywood Municipal Employees, Local 2432 v. City of Hollywood, 25 FPER ¶ 30063 (1999) (professional unit, certification no. 1239) (supervisory unit, certification no. 1240). On July 11, the Commission appointed a hearing officer to develop a record upon which the unit placement of the affected classifications could be determined.

On August 16 and 31, and September 7, the parties filed stipulations concerning the unit placement of the affected classifications into the three bargaining units and the proposed exclusion of managerial and confidential employees. The hearing officer

UC-2000-019
UC-2000-020
UC-2000-021

accepted these stipulations and issued a recommended order on September 15, recommending that we clarify the three bargaining units in accordance with the parties' stipulations. On September 29, Local 2432 filed four exceptions to the recommended order.¹

All of the remaining exceptions pertain to inadvertent omissions or errors on the part of the hearing officer. In exception two, Local 2432 points out that, although the hearing officer recited the parties' stipulations supporting inclusion of the classification of labor pool in the wall-to-wall bargaining unit, he failed to mention this classification in his discussion and analysis regarding that unit or to recommend that the labor pool position be included in the unit. Upon our review of the recommended order, the parties' stipulations, and the supporting documents, we conclude that the hearing officer's failure to recommend the inclusion of the labor pool position in the wall-to-wall unit was inadvertent and that this classification is appropriate for inclusion in that bargaining unit. Therefore, we grant the exception and modify the recommended order accordingly.

In its third exception, Local 2432 calls our attention to the fact that the hearing officer placed the classification of project manager into the supervisory bargaining unit in his conclusions of law, despite having found earlier in his order that this classification should be added to the professional unit. Our review of the record reveals that this is a scrivener's error. Accordingly, exception three is granted and the hearing officer's

¹Local 2432's first exception merely recites that the unit clarifications were based upon the parties' stipulations. Since this exception does not raise any point of disagreement with the recommended order, it need not be addressed.

UC-2000-019
UC-2000-020
UC-2000-021

conclusions of law are modified to place the classification of project manager in the professional bargaining unit.

Finally, in exception four, Local 2432 asserts that the hearing officer mistakenly omitted any reference to the classification of technical/business analyst despite the parties' stipulation and supporting information indicating that this classification should be included in the professional bargaining unit. Our review of the record indicates that Local 2432 petitioned for the technical/business analyst position to be included in the professional unit, but does not disclose any mention of this classification in the parties' stipulations. The position description for the technical/business analyst describes a professional, non-supervisory position. Moreover, we infer from the absence of any reference to this position in the original certification of this bargaining unit that it was created after the unit was certified. Therefore, we grant exception four and modify the recommended order to include the technical/business analyst position in the professional bargaining unit.

Having reviewed the entire record and resolved the exceptions to the recommended order, we agree with the hearing officer's analysis of the dispositive legal issue, his recommendations, and his conclusions of law, as modified above. Accordingly, we adopt the hearing officer's recommended order, as modified by our resolution of the exceptions, and clarify certification no. 151, the wall-to-wall bargaining unit; certification no. 1239, the professional bargaining unit; and certification no. 1240, the supervisory bargaining unit, as follows:

SICK LEAVE POOL POLICY

HR-04-060: SICK LEAVE POOL
REVISED DATE: JUNE 1, 2004
LAST REVISION: JANUARY 1, 2001

PURPOSE:

The purpose of this program is to establish a Sick Leave Pool from which participating employees may receive benefits in cases involving non-work related catastrophic or long-term illnesses or injuries. This program is not intended to supplement or replace the short-term use of sick leave benefits.

POLICY:

An eligible employee may authorize sick or vacation leave to be charged from his/her accrued leave and transferred to a City-wide Sick Leave Pool account. This transfer is not refundable to the participating employee account, but entitles the employee to participate in certain extended sick leave benefits. This benefit shall not be in conflict with personnel policies relative to the approval of sick leave set forth elsewhere in this manual or in existing labor contracts.

There shall be a Sick Leave Pool Committee comprised of the Director, Human Resources, one member of the Executive Board of AFSCME, Local 2432, and one employee classified under the Professional Pay Plan to administer the Sick Leave Pool. One additional professional staff member of Human Resources shall serve as an ex-officio member of the Committee and will represent the Director, Human Resources his/her absence. The role of the Committee shall be to coordinate the review and approval process of individuals receiving benefits from the Sick Leave Pool. The decision(s) of the Committee affecting all aspects of the program will be final.

PROCEDURE:

1. Participation in the Sick Leave Pool shall be voluntary. Regular full-time employees within the General Employee ranks (non-sworn Fire and Police personnel), including all Executive, Management, Professional and Confidential employees, may participate in the Sick Leave Pool after completion of one (1) year of employment with the City as determined by January 1st in the first year of the program and October 1st for every year thereafter in any given calendar year and provided that such employee has a minimum accumulation of 96 hours of sick and/or vacation leave prior to the transfer of any sick or vacation leave to the program.

2. A participating employee may be granted Leave from the Pool only after depletion of all personal accrued sick, vacation, and compensatory leave credits. Sick leave withdrawn may only be used for non-work related catastrophic, long-term illnesses or injuries of the participating employees. The participating employee may initially be eligible to receive up to ninety (90) days of leave from the Sick Leave Pool Account. Requests for additional Leave from the Pool are subject to approval by the Committee.
3. Eligible participants must contribute eight (8) hours of accrued sick or vacation leave to the Pool once every twelve (12) months. If the Committee finds that an insufficient amount of Leave exists in the Pool, additional leave requests may be made from all participants. All leave contributed to the Pool shall be removed from the participating employees' leave accounts by the Payroll Office and shall be placed into the Sick Leave Pool Account. Participating employees will be required to re-enroll on an annual basis to continue participation in the program. Once enrolled, the requested amount of accumulated sick leave hours will be automatically deducted from the designated leave accounts of participating employees and credited to the Sick Leave Pool Account. Use of the Sick Leave Pool Account will be monitored by Human Resources and the Payroll Division.
4. A participating employee shall be allowed to "donate" to the pool up to eight (8) hours of any unused or unpaid sick or vacation leave from his/her individual leave balances at the time of retirement or at the end of each leave year (September 30th). The ten (10) days of mandatory use of vacation leave by Executive, Management and Professional employees may not be used toward the contribution of time for the Sick Leave Pool.
5. Participation requests shall be made in writing to Human Resources. Prior to authorizing the use of leave from the Pool, the Sick Leave Pool Committee shall require medical certification of the accident, illness, or injury for the individual in which the use of Pool Leave is requested and any other medical information concerning anticipated duration of the condition and outlook for recovery. The official sick leave record of the requesting employee may also be reviewed prior to any authorization of sick leave pool benefits. Such review will be used to determine if an employee has abused his/her sick leave prior to the request of leave from the Pool. All medical records and information shall remain confidential with the Sick Leave Pool Committee.
6. A participating employee who withdraws sick leave hours from the Pool will not be required to replace those hours, except as a regular contributing member of the Pool.
7. Any Leave hours contributed to the Sick Leave Pool will be permanently forfeited to the pool and shall be used exclusively for the purpose of carrying out the Pool's objectives.

8. Any sick leave contributed to the Sick Leave Pool by a participating employee shall be forfeited upon the employee's cancellation of membership in the Pool, retirement, or termination from City employment.
9. Policy HR-04-071.1 "Unfunded Payroll Deductions" will apply to this type of leave.

APPENDIX H
FAMILY MEDICAL LEAVE POLICY

HR-050	FAMILY LEAVE
REVISED DATE:	JULY 1, 2008
LAST REVISION:	JANUARY 24, 2005
AUTHORIZATION:	FAMILY AND MEDICAL LEAVE ACT OF 1993

PURPOSE:

To outline the conditions under which leave in conformance with the Family and Medical Leave Act (FMLA) of 1993 may be requested by an employee or designated by the City. Effective December 14, 2007, the federal Family and Medical Leave Act entitles eligible employees to take leave for a covered family member's service in the Armed Forces ("Service member FMLA"). This policy provides for time off without pay for a limited period with job protection and no loss of accumulated service if the employee returns to work.

POLICY:

A family or medical leave of absence is defined as an approved absence available to eligible employees for up to twelve (12) weeks of leave per year (12 months) under particular circumstances that are critical to the employees or their family members. The twelve (12) month period shall consist of the time beginning with the approved leave and extending over the subsequent twelve (12) months. Leave may be taken;

- ◆ on the birth of an employee's child;
- ◆ on the placement of a child for adoption or foster care with an employee;
- ◆ when an employee is needed to care for a child, spouse, parent, or registered domestic partner who has a serious health condition; or
- ◆ when an employee is unable to perform at least one of the essential functions of his or her position because of the employee's own serious health condition, regardless of whether it was the result of an "on or off" the job circumstances.

Unless otherwise provided for in a collective bargaining agreement, all regular employees are eligible for leave under this policy if employed by the City for at least twelve (12) months and if they have worked at least 1,250 hours during the twelve (12) month period immediately preceding the requested leave. Leave will be in accordance with the Family and Medical Leave Act of 1993 and all questions concerning this policy shall be controlled by the Family and Medical Leave Act of 1993.

Leave may be taken on an intermittent or reduced-leave schedule if it is medically necessary for a serious health condition of the employee or his/her spouse, domestic partner, child or parent.

Spouses or registered domestic partners who are both employed by the City are entitled to a total of twelve (12) weeks leave (rather than 12 weeks for each spouse) for the birth or placement in adoption or foster care.

Service member FMLA provides eligible employees unpaid leave for any one, or for a combination, of the following reasons:

- A "qualifying exigency" arising out of a covered family member's active duty or call to active duty in the Armed Forces in support of a contingency plan; and/or
- To care for a covered family member who has incurred an injury or illness in the line of duty while on active duty in the Armed forces provided that such injury or illness may render the family member medically unfit to perform duties of the member's office, grade, rank or rating.

Duration of Service member FMLA:

- When Leave is Due To A "Qualifying Exigency": An eligible employee may take up to 12 workweeks of leave during any 12-month period.
- When Leave Is To Care for an Injured or Ill Service Member: An eligible employee may take up to 26 workweeks of leave during a single 12-month period to care for the service member. Leave to care for an injured or ill service member, when combined with other FMLA-qualifying leave, may not exceed 26 weeks in a single 12-month period.
- Service member FMLA runs concurrent with other leave entitlements provided under federal law.

PROCEDURE:

Requested Leave

Employees requesting Family Leave will be required to utilize accrued sick or annual leave benefits before becoming eligible for the unpaid leave. Use of accrued sick or annual leave by the employee will be counted as part of the family leave time entitlement. Employees will continue to be eligible for health and life insurance coverage during the leave of absence.

Employees requiring the use of Family Leave must submit a written request to their Department Head no later than thirty (30) days prior to the need for such leave unless it is an unforeseeable emergency. When the leave requested pertains to family leave to care for a child, spouse, domestic partner, parent, their own serious health condition, or family member called to active duty in the Armed Forces, the City may require the employee to provide medical certification from an appropriate health care provider or Armed Forces Activation orders. Each employee requesting Family Leave will receive written notification from the City regarding his or her approval/disapproval for the Family Leave request.

Designated Leave

The Department/Office must designate FMLA when any illness meets FMLA qualifications. Once the Department/Office has become aware that the leave is being taken for an FMLA reason, the Department/Office must promptly notify the employee and Human Resources that the leave will be counted as FMLA. This notice may be oral, but will be followed by written notification/confirmation from Human Resources.

An employee returning from Family Leave is entitled to the position held before the Family Leave began, assuming that the position is vacant. If the former position is not vacant, the employee will be offered an equivalent position with no reduction in salary or benefits. Questions regarding more specific details should be directed to Human Resources.

Policy HR-071.1 "Unfunded Payroll Deductions" will apply to this type of leave.

If chosen for the Civil Service position of Building Inspector, while being employed continuously as a full-time temporary for less than six (6) months, employee will have their vacation and sick leave balances zeroed out and will start over with a new hire date and probationary period as defined for new employees.

ISSUE:

To provide a bulky waste program internally and implement an automated solid waste collection system.

EXPLANATION:

It is understood that the City of Hollywood, Environmental Services Division, is engaged in furnishing essential public services which vitally affect the health, safety, comfort and well being of the public. Additionally, it is understood that "management", "labor" and the "union" recognize the need for continuous and reliable waste collection services that are economical and mutually beneficial for the public and the employees who provide such services. As such, "management", "labor" and the "union" have been involved in ongoing discussions as they pertain to re-configuring the level of services provided to the public and how these changes in service will affect the employees.

This letter of understanding will serve as recognition and acknowledgement that these discussions between "management", "labor" and the "union" has taken place and there is a general consensus between the parties to move forward with re-configuring the solid waste collection system.

"An Equal Opportunity and Service Provider Agency"

RECOMMENDATION:

- Implement the "one arm bandit" automated collection system over a period of 4 years so as not to substantially affect user fees or current employees.
- Provide a citywide bulky waste collection beginning with a three times per year basis and increasing the number of bulk waste collections in the future as more routes are converted to automation.
- Employees displaced by the automation of residential solid waste collections will be utilized in the citywide bulky waste program. No current employees will be affected as far as wages, benefits, or jobs are concerned.
- Utilize employees in the initial start up of the automation program that are positive, pro-active, trained, and generally interested in seeing a positive change in the system and the level of services provided to the public. Criteria will be developed mutually by Environmental Services and AFSCME.
- Various types and sizes of equipment to be used in the automation program within Solid Waste Collection that best fit the area of the city being serviced.
- Continued education and training will be provided to the employees to remain current with industry standards.

We recognize that flexibility within the collection system is the key that will allow the Environmental Services Division to become more entrepreneurial in its approach to providing waste collection services in the City of Hollywood. The underlying goal of these changes and enhancements is the expectation that Environmental Services can become more creative and competitive with the private sector. Therefore, periodic changes in the operational methods of Environmental Services must be addressed. Finally, the spirit of cooperation between all parties involved in this ongoing process has been positive, upbeat and refreshing. We look forward in continuing this level of cooperation.

This Understanding will be effective July 12, 2000.

Dear Ralph:

This letter is to inform you that the City will begin to pay Police Department personnel required to be on "stand-by" such as Telecommunicators I & II, Communication Shift Supervisors and I.D. Technicians in the following manner:

"Stand-by": (the below language shall be administered on a temporary basis and may be discontinued at the City's discretion)

"Stand-by" shall be administered on the following rotation basis:

<u>Job Title</u>	<u>Call Out Schedule</u>

Communication Shift Supervisor	Four (4) weeks

An employee that is required to be on "stand-by" shall be provided with a pager. Accordingly, the employee shall not be required to remain at home in a constant state of instant readiness to report to work. Such "stand-by" status will not, therefore, be considered as time worked but the employee shall receive an additional four (4) hours regular pay per week while on "stand-by". However, an employee shall receive the appropriate compensation for hours worked as provided for in the collective bargaining agreement. Employees shall not be required to work more than sixteen (16) hours in a twenty-four (24) hour period.

Furthermore, the City will begin to pay "shift differential" to employees that work in departments where a regular twenty-four (24) hour operation exists and in the following manner:

Shift	Differential Pay
4-12 midnight (or when the majority of hours assigned are between these hours)	\$.30/hour
12 midnight - 8 a.m. (or when the majority of hours assigned are between these hours)	\$.50/hour

Applicable differential pay shall not be adjusted for any hours worked outside of the majority of hours worked on the assigned shift. In other departments within the City where there is no regular twenty-four (24) hour operation, "shift differential" will continue as contained in Article 47 of the Collective Bargaining Agreement.

The above "stand-by" and "shift differential" will be effective May 27, 2001 and continue until the parties negotiate these issues into a successor agreement.

SUBJECT: Letter of Understanding between City and AFSCME, Local 2432 regarding the Pension Plan

As we discussed earlier today, I believe that the Letter of Understanding amending the three collective bargaining agreements between the City and AFSCME, Local 2432, which was ratified by the City Commission on January 3, 2001, should be executed with the same formalities as the collective bargaining agreements. Therefore, I have prepared the attached signature page.

I have worded the top paragraph to encompass all three agreements. Thus, it would be sufficient to execute two originals (one for the City and one for the Union) instead of six originals (one for the City and one for the Union for each agreement).

Please call if you want to discuss.

Re: Letter of Understanding - HIPAA

Dear Mr. Dierks:

An Individual's right to the privacy of their personal health information is protected under regulations such as the Gramm-Leach-Bliley Act, HIPAA Privacy Act and Americans with Disabilities Act. The City must comply with these regulations which were not in effect at the time of the last amendment to the City of Hollywood Employment Rules and Regulations. In the interest of protecting the privacy of our employees' personal health information and complying with all applicable governing regulations, the City of Hollywood Employment Rules and Regulations must be amended to instruct employees to forward Return to Work doctor notices to the attention of the Privacy Officer in the Office of Human Resources and Risk Management. The Office of Human Resources and Risk Management has procedural and physical safeguards in place to protect the privacy of employee's health information. Current language instructs employees to forward such notices to their department head where the protection of employees' health information may not be safeguarded.

The Office of Human Resources will work with the Civil Service Board to amend the language in the City of Hollywood Employment Rules and Regulations to read:

D. ILLNESS

- 2) "Employees absent from duty for a period of over (3) consecutive working days due to illness or injury may be required to submit a letter from their physician prior to their return, approving resumption of duties. The letter should be sent to the attention of the Privacy Officer in the Office of Human Resources and Risk Management. Those employees whom the department head has identified as abusing the sick leave benefit system may be required to submit physician statements on a more frequent basis."

MEMORANDUM OF UNDERSTANDING (GENERAL)

This Memorandum of Understanding is entered between the City of Hollywood (hereinafter "City") and the American Federation of State, County and Municipal Employees, Local 2432 (hereinafter "Union") for the purpose of amending the existing Collective Bargaining Agreement that covers the General employees (hereinafter CBA) between the City and the Union.

WHEREAS, the City and the Union negotiated a CBA which expires on September 30, 2011; and

WHEREAS, the City and the Union have engaged in collective bargaining negotiations to discuss changes to the CBA that will help the City address a significant budget deficit for Fiscal Year 2010/2011 (October 1, 2010 - September 30, 2011); and

WHEREAS, the City and the Union have reached a tentative agreement, subject to ratification, regarding modifications of the CBA.

NOW THEREFORE, the parties agree the CBA shall be amended as follows:

1. The 2.5% Wage increase for all General employee bargaining unit members scheduled to be received on October 1, 2010 for Fiscal Year 2010/2011 pursuant to Article 10 Section 4 of the parties' CBA shall be suspended through September 30, 2011. The above scheduled suspended wage increase shall now be received by General employee bargaining unit members on October 1, 2011, unless modified by agreement of the parties or through the procedures of Section 447.403, Florida Statutes, pursuant to an Article 10 Section 4 wage reopener for Fiscal Year 2011/2012, as more specifically set forth in Paragraph 4, below. Attached hereto as Attachment I is a copy of the

agreement or imposition under Section 447.403, Florida Statutes, prior to its September 30, 2012 expiration.

6. In exchange for the suspension of Wage and Merit Pay Increases, the City agrees not to reduce the work force/lay off/furlough/displace or otherwise involuntarily remove from their present City position any bargaining unit employee in the General unit from October 1, 2010 through September 30, 2011 with the sole exception of those employees occupying the bargaining unit positions on Attachment II representing positions eliminated as a result of reorganization. This does not include such removals caused by the elimination or reduction of a grant, or other budget related significant situation(s) that occur(s) unexpectedly and require(s) immediate attention and which could not have been reasonably anticipated at the time that Fiscal Year 2010/11 budget was adopted. This also does not include removals for "just cause" or probationary rejection.
7. This Letter of Understanding is also based upon the representation of the City of Hollywood that giving up the above-noted wage and merit increases, which will save approximately \$1.6 Million, will avert approximately forty (40) employees from losing their employment with the City in the layoff that was scheduled to begin taking effect in October 2010.

INTEROFFICE MEMORANDUM
Office of Human Resources

DATE: February 8, 1996 FILE: HRP-96-30
TO: All Department/Office Directors
FROM: Director, Office of Human Resources
SUBJECT: Evaluation of Sick Leave Usage,
AFSCME Bargaining Unit Employees

ISSUE:

Evaluation of sick leave usage for AFSCME Bargaining Unit Employees.

EXPLANATION:

During February's Labor/Management Committee meeting, the issue of evaluating the use of sick leave for AFSCME Bargaining Unit employees was raised by the Union. The major concern was with the apparent inconsistency of performance standards regarding the use of accrued sick leave. It was the consensus of the group, that if an employee does not exceed his/her annual sick leave accrual, the performance evaluation rating should not be rated as "unsatisfactory" or "needs improvement." Sick leave is a benefit provided to all general employees as stipulated in the AFSCME Bargaining Agreement and therefore, employees should not be penalized if the utilized time is within the yearly accrual limit.

It was further recommended that the use of sick leave be monitored on an incident by incident basis and noted on the employee evaluation form as needed.

RECOMMENDATION:

Please ensure that performance evaluations for General Bargaining Unit employees adhere to the guidelines affecting the use and accrual of sick leave as referenced above.

FROM: Joseph Roglieri, Employment & Compensation Manager *J*
SUBJECT: Benefits for Full-Time Temporary Employees

ISSUE:

To clarify which benefits full-time temporary employees receive.

EXPLANATION:

Over the past six months, discussion has ensued regarding which benefits to provide newly hired full-time temporary employees of the City. Currently, newly hired full-time temporary employees contribute to the General Employees' Pension Fund upon hire but are not eligible to receive other benefits until after one year of full-time employment.

After re-evaluating the issue, it has been determined that it may be in the City's best interest to provide the same benefits to newly hired full-time temporary employees that regular full-time employees receive (i.e. holidays; vacation; sick leave; health and dental insurance; life insurance). It is our understanding that the costs of these benefits have been budgeted for these positions enabling the implementation of this change in policy.

The exception to this is employees hired for a term that is definitely less than ninety (90) days. Any employee hired for an anticipated duration of less than ninety (90) days will not receive any benefits.

RECOMMENDATION:

Effective from the date this agreement is signed, begin providing newly hired full-time temporary employees with the same benefits that newly hired regular full-time employees receive.
