ARTICLE 1 - EMPLOYEE ORGANIZATION AGREEMENT

THIS AGREEMENT is entered into by and between the City of Hollywood, Florida, (“Employer” or the “City”) and the Hollywood, Florida, City Employees, Local 2432, AFSCME, AFL-CIO American Federation of State, County and Municipal Employees (AFL-CIO) (“Union”). It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the parties, to provide an orderly, prompt, and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth basic and full agreement between the parties concerning the rates of pay, wages, hours of employment, pensions, and other terms and conditions of employment. It is understood that the City of Hollywood is engaged in furnishing essential public services which vitally affect the health, safety, comfort, and well-being of the public, and both parties hereto recognize the need for continuous and reliable service to the public.

“Employee” shall mean all persons employed by the City who are designated as “Included” in the Florida Public Employee Relations Commission (“PERC”) Certification #151 (“Bargaining Unit”), any amendment/clarification to that certification and any persons employed by the City in new or revised job titles upon which the parties have mutually agreed subsequent to execution of this Collective Bargaining Agreement (“Agreement” or “CBA”).

ARTICLE 2 - RECOGNITION

- 2.1. The Employer recognizes the Union as the sole and exclusive bargaining agent, with respect to wages, hours, pensions, and other conditions of employment, for all Employees in the Bargaining Unit, per Florida PERC Certification #151 (as clarified by UC-2000-19 and 2018-001), attached as Appendix "A," and as may be amended in the future by the appropriate authority of the State of Florida.
- 2.2. The City shall be represented by the City Manager, or a person or persons designated in writing to the Union by the City Manager. The City Manager shall have the authority to execute an Agreement on behalf of the City upon being directed by an official resolution of the City Commission. It is understood that the City representatives are the official representatives of the City for the purpose of negotiating with the Union and administration of the Agreement between the parties. Negotiations entered into with persons other than those as defined in this section, regardless of their position or association with the City, shall be deemed unauthorized, and shall have no weight of authority in committing or in any way obligating the City.
- 2.3. The City recognizes and shall deal with the appropriate Union Business Agent, International Representatives, and any other Union members and/or attorneys, designated by the Union President, in those matters relating to collective bargaining and administration of the Agreement between the parties. Changes of representatives shall be submitted to the City Manager, in writing, by the Union President.

ARTICLE 3 – ADDITIONAL CLASSIFICATIONS

- 3.1. The parties agree that if additional classifications are created, the parties shall meet as soon as practicable to negotiate concerning whether these new classifications shall be included in the Bargaining Unit. The City and the Union agree to request a Unit Clarification from PERC as soon as practicable for agreed upon classifications.
- 3.2. If a position's duties change substantially, which in the opinion of the City convert the position from a Bargaining Unit position to a position that should be excluded from the Bargaining Unit, the City and the Union agree that the City shall notify the Union of such potential changes and the basis for its opinion. The City and the Union agree to request a Unit Clarification from PERC as soon as practicable for classifications that the parties agree should be included or excluded from the Bargaining Unit.

ARTICLE 4 – DISTRIBUTION OF AGREEMENT

The City will place an electronic copy of this Agreement and the Authorization of Dues for Payroll Deduction Form on the City's intranet, which is accessible to all employees. This form can also be found in the Office of Human Resources.

ARTICLE 5 – NON-DISCRIMINATION

- 5.1. No employee covered by this Agreement will be discriminated against by the City or the Union with respect to the job benefits or other terms or conditions of employment because of the employee's membership or non-membership in the Union.
- 5.2. Both the City and the Union oppose discrimination on the basis of age, race, creed, color, national origin, gender, disability, marital status, sexual orientation, gender identity and/or religion. However, the parties also recognize that the City has established an internal procedure to investigate and resolve alleged cases of discrimination which is in addition to existing and adequate procedures established by Broward County, the State of Florida and the Federal Government. Accordingly, it is agreed that allegations of employment discrimination cannot be processed through the contractual grievance/arbitration procedure.

ARTICLE 6 - MANAGEMENT SECURITY

- 6.1. The Employer and the Union recognize the mutually beneficial effects of a harmonious and cooperative relationship between the parties and agree to comply diligently and fully with the requirements of the Florida Public Employees Relations Act (“PERA”).
- 6.2. For the duration of the Agreement, there will be no strikes, work stoppages, picketing, slowdowns, or other concerted failure or refusal to perform assigned work by the Employees of the Union, and there will be no lockouts by the City. The Union guarantees to support the City fully in maintaining operations in every way.
- 6.3. Any Employee who participates in or promotes a strike, work stoppage, picket line, slowdown, or concerted failure or refusal to perform assigned work may be discharged or otherwise disciplined by the City.
- 6.4. It is recognized by the parties that the City is responsible for and engaged in activities which are the basis of the health and welfare of our citizens, and that any violation of the Article would give a rise to irreparable damage to the City and to the public at large. Accordingly, it is understood and agreed that in the event of any violation of this Article, the City shall be entitled to seek and obtain immediate injunctive relief, provided, however, it is agreed that the Union shall not be responsible for any act alleged to constitute a breach of this Article if the Union did not instigate or support in any manner such action and, further, that the Union has used every reasonable means to prevent or terminate such action.
- 6.5. Picketing, as referred to in this Article, shall mean any action by way of demonstrating which may have the effect of preventing or discouraging any Employee from coming to work, or have the effect of preventing or discouraging any supplier or contractor from entering any City premise. No employee shall picket concerning a matter that is subject to the grievance or arbitration procedure.

ARTICLE 7 - MANAGEMENT RIGHTS

Except as provided in this Agreement, it is the right of the Employer to determine unilaterally the purpose of each of its constituent agencies, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the right of the Employer to direct that its Employees take disciplinary action for proper cause and relieve its Employees from duty because of lack of work or for other legitimate reasons. However, the exercise of such rights shall not preclude Employees or their representatives from raising grievances, should decisions on the above matters have the practical consequence of violating the terms and conditions of this Agreement or any civil service regulation.

ARTICLE 8 - PAYROLL DEDUCTION OF DUES

- 8.1. On receipt of a lawfully executed written authorization from an Employee, the City will deduct from the Employee's pay the amount so specified by said Employee, but not less than regular dues.
- 8.2. The Payroll Division will remit to the Union Treasurer such sums, bi-weekly, together with a list of Employees for whom deductions were made.
- 8.3. Changes in the Union's membership dues rate shall be certified to the City, in writing, over the signatures of the authorized officer or officers of the Union, at least 30 days in advance of the effective date of such change.
- 8.4. The City's remittance shall be deemed correct if the Union does not give a written notice to the City within two calendar weeks after remittance is received of its belief, with reasons stated therefore, that the remittance is incorrect.
- 8.5. An Employee may revoke, in writing, with 30 days' prior notice to the City and the Union, their authorization for dues or other deductions. This 30-day prior notice shall not apply if an employee is promoted to a position not covered by the bargaining unit.
- 8.6. The Union will indemnify, defend, and hold the City harmless against any claims made and against any suit instituted against the City on account of any check-off of Union dues.
- 8.7. When an Employee has been suspended or discharged and subsequently returned to work, with full or partial back pay, or has been reclassified retroactively, the City shall, in the manner outlined in Section 8.1, deduct any Union membership dues that are due and owing for the period for which the Employee receives back pay.
- 8.8. Upon request, the City shall provide the Union a list of all Employees in the Bargaining Unit represented by the Union. This spreadsheet data file list shall contain the Employee's name, telephone number, complete address, department where employed, employment status and job title, and whether the Employee is a member or non-member.

ARTICLE 9 - UNION BUSINESS

- 9.1. The Local Union President and/or a representative of the Local Union President shall be allowed time off work with pay, up to 416 hours per fiscal year, to attend during working hours City Commission meetings, Pension Board meetings, meetings with City Administrators and/or Elected Officials that relate to joint City and Union business, and pre-negotiation meetings (during such times that negotiations for a successor Agreement are on-going) (collectively, "Union Business"). Hours not used during the fiscal year shall not roll over to the next fiscal year. The City will not pay employees for time spent conducting Union Business while off-duty. On all such occasions, the Union President and/or representative shall give notice of any such meeting to their supervisor and the Office of Human Resources ("HR"). Approval shall not be unreasonably withheld by any of their supervisors.
- 9.2. The Employer agrees to allow two Union members, designated in writing by the Local President, up to 10 days each off without pay each calendar year to attend Union seminars, conventions and other Union functions. These days off may not be permitted to accrue from year to year if not used. In order to ensure proper coverage of assignments, the Division Head should be notified no later than 20 days prior to the aforementioned events.
- 9.3. Up to seven persons designated as part of the Union bargaining team shall be permitted to attend negotiations without loss of pay, provided that the negotiation sessions occur during the employee's regular working hours. Additionally, the Union recognizes that the City is engaged in furnishing essential public services vital to the citizens of Hollywood. Therefore, the Union will make a reasonable attempt not to have more than two members from the same classification in the same work unit as members of the Union negotiating team. However, this does not apply to elected union officials that are members of the team.

ARTICLE 10 - UNION STEWARDS

- 10.1. The City will recognize up to 10 stewards from the Bargaining Unit. Of the 10 stewards, one shall be designated by the Union as the Chief Steward. In March of each year, the Union shall furnish the Director of Human Resources with the names of the employees selected as Stewards and Chief Steward as well as the division/department for which they are responsible. In the event of a change in the designated Stewards/Chief Steward, the Director of Human Resources will be notified in writing immediately.
- 10.2. A Steward or Chief Steward may investigate and discuss grievances and Agreement questions or complaints during working hours in their respective areas (or any area in the case of a Chief Steward), provided that they first receive permission of the Division Head or, in his/her absence, his/her designee. Such permission shall not be unreasonably denied. The Union shall not make an unreasonable number of requests.
- 10.3. A Chief Steward or a Steward may process grievances in accordance with provisions of Article 29- Grievance Procedure and Arbitration. However, only one representative of the Union (Chief Steward or Steward) shall be permitted to process a grievance during the Steward's working hours until such grievance reaches Step 2/3. When a grievance reaches Step 2/3, the Chief Steward and the Steward may participate in grievance processing during the Steward's working hours.

ARTICLE 11 – WAGES

- 11.1. October 1, 2022, the pay ranges within the Bargaining Unit were increased by 4% per a Memorandum of Understanding (MOU) passed by the City Commission via Resolution in R-2022-322.
- 11.2. Employees whose base pay (excluding longevity, assignment pay, and certification pay, collectively, “Enhancements”) was below the top of the pay range for their positions received a pay increase the first full pay period on or after October 1, 2022, provided that the increase did not place their base pay above the pay range for their positions. If it did, the employees received the percentage increase up to the percentage that places them at the top of the pay range and the dollar equivalent of the remaining percentage in a lump sum.
- 11.3. Employees whose base pay, as defined above, is at or above the top of the pay range on October 1st of each fiscal year shall receive a lump sum payment that is equal to the total percentage increase for that fiscal year based on their base pay.
- 11.4. Effective the first full pay period on or after October 1, 2023, and October 1, 2024, the pay ranges within the bargaining unit will increase as follows:
 - October 1, 2023 – 3%
 - October 1, 2024 – 3%
- 11.5. The new minimum and maximum pay range for each job classification within the Bargaining Unit is contained in Appendix B. The City shall have the right to hire employees within the pay range of the job classification.
- 11.6. The MOU passed by the City Commission via Resolution in R-2022-322 further provided that all employees receive a one-time net payment of \$1,000 per member, not applied to base pay, paid on the first full pay period in October 2022, except regularly scheduled non-seasonal part-time employees shall receive the net payment of \$1,000 paid on a prorated basis based on the employee’s classification for FY23. (e.g., Employees who are classified as PT39 shall receive a net payment of \$750; those classified as PT29 shall receive a net payment of \$500 and those classified as PT14 shall receive a net payment of \$250.)

CBA Between the CITY OF HOLLYWOOD and AFSCME General Local 2432 10/01/22 – 9/30/25

11.7. Certification pay is calculated using the sum of an employee's base pay, wage increases due to Cost of Living Adjustment ("COLA"), and longevity pay. Such sum shall be collectively referred to as the "adjusted base rate of pay."

ARTICLE 12 - ASSIGNMENT PAY

- 12.1. An employee assigned to temporarily assume the majority of duties and responsibilities of an incumbent employee with a classification of a higher pay grade shall receive the employee's adjusted base rate of pay plus Enhancements, and a 5% increase in the adjusted base rate of pay, for the time actually assigned to the classification. However, should the temporary assignment continue for 25 working days or more, the employee will continue to receive a 5% increase above the employee's adjusted base rate of pay, or the minimum salary range, for the position filled, whichever is higher. Temporary assignments that continue for more than 120 days will be evaluated by the City and the Union. The continuation of assignment will be by mutual consent.
- 12.2. In the event an employee is assigned to work in a vacant position within a classification of a higher pay grade, the employee will receive the employee's adjusted base rate of pay plus Enhancements, and a 5% increase above the adjusted base rate of pay, or the minimum of the salary range of the position filled, whichever is higher. For the purpose of this provision, a vacant position is one in which there is no incumbent assigned.
- 12.3. An employee assigned to temporarily assume the majority of duties and responsibilities of an incumbent employee with a classification of a higher pay grade that is outside of this Bargaining Unit shall be paid according to the following table:

Temporary Assignment	Pay for Temporary Assignment
General to Confidential	5% or minimum of the pay grade
General to Professional	10% or minimum of the pay grade
General to Supervisory	15% or minimum of the pay grade
General to Management/Executive	20% or minimum of the pay grade

- 12.4. A vacant position within a Civil Service classification that has been staffed by assignment for 180 days will be evaluated to determine if the position should be filled

on a permanent basis. In no circumstance shall the employee temporarily filling the vacant position revert back to the assignment pay status, unless by mutual agreement between the City and the Union.

- 12.5. The assignment pay in this Article shall apply only to time periods of more than one full shift when the assigned employee is working for a full-time employee in a higher classification. If, however, the assigned employee is working for a part-time employee of a higher classification then the assignment pay shall apply only to time periods of four hours or more. If an employee is assigned to work in a higher classification for more than one full shift, the assignment pay will begin on the first day the employee assumes the higher classification. Beach Safety employees who are assigned to a higher classification for one full shift on a recurring basis shall receive the assignment pay percentage as defined in Section 1 of this Article for each shift assigned to a higher classification. There shall be no assignment pay during a declared emergency, except as authorized by the City Manager or designee.
- 12.6. All Community Service Officers who are assigned to perform Traffic Homicide duties (i.e. accidents involving fatalities or serious bodily injury) and who have successfully completed the required courses (currently Basic Homicide Investigation, Interview and Interrogations, and Courtroom Testimony), will continue to receive a 5% assignment pay increase above their adjusted base rate of pay, while assigned to the Traffic Homicide Investigation (THI) division.
- 12.7. Regularly scheduled part-time employees shall be eligible for seasonal assignments and paid in accordance with Section 1 of this Article. Additionally, regularly scheduled part time employees who have accepted and worked seasonal assignments shall automatically return to their previous regularly scheduled part-time position assignment at completion of the seasonal appointment.
- 12.8. Employees given assignments by the Department or Division Head as leadworkers in responsible charge of a crew or work unit, consisting of at least two employees other than the designated leadworker, will receive additional compensation in the amount of 5% above their adjusted base rate of pay.

ARTICLE 13 - CERTIFICATION PAY

- 13.1. Upon attainment of a State of Florida, Department of Environmental Protection (“DEP”), Water or Wastewater Treatment Plant Operator Certification (Class C license), any Plant Operator I, Plant Operator I – Rotator, Plant Operator II, and Utility Shift Supervisor will continue to receive a 5% differential above the adjusted base rate of pay.
- 13.2. Upon attainment of a State of Florida, DEP, Water or Wastewater Treatment Plant Operator Certification (Class B license), any certified Plant Operator I, Plant Operator I – Rotator, Plant Operator II, or Utility Shift Supervisor will receive a 2.5% differential over the Class C license entitlement.
- 13.3. Upon attainment of a State of Florida, DEP, Water or Wastewater Treatment Plant Operator Certification (Class A license), any certified Plant Operator I, Plant Operator I – Rotator, Plant Operator II, or Utility Shift Supervisor will receive a 2.5% differential over the Class B license entitlement (for a total of 5% over the Class C license entitlement).
- 13.4. Utility Operations Supervisors, Senior Utilities Field Technicians (“SUFT”) and Utilities Field Technicians shall receive a 2.5% differential above the adjusted base rate of pay upon the attainment of each of the following certifications based upon the subsequent schedule and guidelines.
 - a. Utilities Field Technicians – 2.5% per “C Certification” (water, sewer, or stormwater) to a maximum of 7.5% above the adjusted base rate of pay. “C Certification” incentives shall be specific to the Utilities Field Technician Classification. Promotion or transfer to a Senior Utilities Field Technician or Utility Operations Supervisor will include, if a “C Certification” has/had been attained, a maximum 2.5% certification incentive pay. Any and all other incentive pay will cease.
 - b. Senior Utilities Field Technicians – per “B Certification” (water, sewer, or stormwater) to a maximum of 5% above the adjusted base rate of pay. “B Certification” incentives shall be specific to the Senior Utilities Field

Technician classification and the Utility Operations Supervisor only and shall include a maximum of 2.5% for having attained a “C” Certification. Each certification pay increase received must be based upon the required levels of certifications held in each of the three separate disciplines (i.e., (1) water; (2) sewer; and (3) stormwater) For example: a “C” Certification in water, a “B” Certification in sewer and a “B” Certification in stormwater would result in a total certification pay increase of 7.5%. On the other hand, a “C” Certification in water, a “B” Certification in water, and a “B” Certification in stormwater would result in a total certification pay increase of 5% because two of the three certifications held are in the same discipline. Promotion to any position other than Utility Operations Supervisor will cease any and all incentive pay.

- c. Utility Operation Supervisors – 2.5% per one “B Certification,” and 2.5% for one “A Certification” (water, sewer or stormwater) to a maximum of 5% above the adjusted base rate of pay. “A Certification” and/or “B Certification” incentives shall be specific to the Utility Operations Supervisor (“B Certification” also to SUFT) and shall include a maximum of 2.5% for having attained a “C Certification.” Promotion and/or transfer to any other position(s) will cease any and all incentive pay.

13.5. Beginning July 15, 2009, Treatment Plant Mechanic I, Treatment Plant Mechanic II, and Chief Utility Mechanics, who have attained “A Certification,” “B Certification,” or “C Certification” prior to July 15, 2009, shall receive certification pay as specified in Section four of this Article. Treatment Plant Mechanic I, Treatment Plant Mechanic II, and Chief Utility Mechanics hired prior to July 15, 2009 (excluding any employee covered by the first sentence in this Section), who attain a “C Certification” or higher in water or sewer (whichever is applicable to their assignment) on or after July 15, 2009, shall receive a maximum of 2.5% certification incentive pay. Employees in these positions hired on or after July 15, 2009, will receive certification pay, upon attainment of the certification, if the certification is required by the City.

- 13.6. If a Commercial Driver's License ("CDL") is required, the City agrees to reimburse the employee up to a maximum of \$2,200.00 for a CDL certification course, \$75.00 for successfully passing the CDL exam and obtaining a CDL license and up to \$7.00 for tanker endorsement (if applicable). The City shall not reimburse the employee for a medical certification for the CDL license as the City qualifies for an exemption under the Florida Statutes. Employees desiring reimbursement must submit a written request for approval from their Department Director or designee with the appropriate documents showing payment for the course, passing grade on CDL exam and endorsement (if applicable). Reimbursement is contingent on the successful attainment of the CDL license. Employees who are reimbursed under this section shall be responsible for reimbursing the City for the entire cost of the benefit if they leave City employment voluntarily within two years of receiving such benefit. This benefit shall only be provided if the employee obtains the CDL while employed by the City.
- 13.7. In this Article, use of the terms "Class A, Class B, Class C, as well as the terms "A Certification," "B Certification," and "C Certification" shall be considered interchangeable with the corresponding terms of "Level 1, Level 2, and Level 3" (e.g., the term "Class A" and the term "A Certification" are the same as the term "Level 1" as used in this Article, etc. Effective October 9, 2013, certifications from the Florida Stormwater Association ("FSA") will not be accepted as a substitute for either State of Florida certifications or Florida Water and Pollution Control Operators Association ("FWPCOA") Certifications, except for those employees who already obtained and received recognition for a FSA Certification before October 9, 2013, for as long as those employees maintain that/those FSA Certification(s). Failure to maintain the FSA Certification will result in the employee's forfeiture of that certification with no right to re-qualify for certification pay based on that FSA certification.
- 13.8. Any certification pay provided in this Article shall be treated as part of the employee's base pay for purposes of the pension plan's definition of compensation and employee contributions.

13.9. An employee who is receiving certification pay as provided in Sections 13.1-13.5 and who loses certification equal to 5% or more as a result of a promotion, shall not receive a reduction in salary upon promotion. Further, if the promotion is to one of the following positions within the Public Utilities Department, the employee shall not lose any certification pay and shall be entitled to receive a 5% promotional increase:

- a. Utility Shift Supervisor;
- b. Chief Utility Mechanic;
- c. WTP and WWTP Operations Superintendent;
- d. Operations Supervisors; and
- e. Assistant Underground Utilities Manager.

13.10. Beach Safety personnel who are certified as Emergency Medical Technicians (“EMTs”) shall receive a 5% differential above the adjusted base rate of pay provided that their certification remains active. The City shall not be responsible for the cost of obtaining such a certification nor may the employee obtain such certification during working hours.

13.11. Certification pay is calculated using the employee's adjusted base rate of pay.

ARTICLE 14 - WORK SCHEDULING AND OVERTIME

- 14.1. The current normal workweek for all full-time employees shall consist of 40 hours per week. Under no circumstances will benefits/rights associated to full-time employees be reduced or modified if the workweek is altered. The normal workweek for all full-time employees shall consist of 40 hours per week, beginning with the employee's first regular shift. The normal workday shall consist of eight or 10 consecutive hours of work in the 24-hour period.
- 14.2. The employer reserves the right to designate a change in the work schedule, weeks, days, hours and shifts of its employees; however, no individual employee shall have his/her work schedule or day off schedule changed for the purpose of avoiding the payment of overtime, nor shall any changes in work schedule be made in an arbitrary or capricious manner. In any event, notice of not less than 8 or 10 working days depending upon their schedule shall be given to the affected employees and an authorized representative(s) of the Union. Upon the request of the employee or the Union, the employer agrees to meet and confer with the above referenced Union Official(s) and/or the employee. Should the City not comply with the notice requirements, and if appropriate, the above referenced meeting, the employee schedule will not be changed. Further, scheduling changes will not be used for disciplinary purposes.
- 14.3. Work schedules and regular days off can be changed to provide coverage for any unforeseen emergencies. The parties mentioned above will be notified as soon as practicable.
- 14.4. The employer and the Union recognize that certain type of activities operating on a continuous basis require different treatment as to hours worked, and agree that in those instances, an eight or 10 consecutive hour shift, including lunch period, and breaks per Article 19, may be allowed. In the Public Works Department, personnel assigned to beach maintenance will be permitted to operate in a flexible but not split shift work schedule. In the Recreation Division, program supervisors and staff will be permitted to operate in a flexible but not split shift work schedule. Personnel assigned to ball field maintenance in Public Works will be permitted to operate in a flexible but

not split shift work schedule for such events that occur sporadically. Employees assigned to the Police Department who are ordered to extended standby by the Court Liaison Officer will receive one hour of compensatory time at adjusted base rate of pay plus Enhancements for such inconvenience. This section shall not apply if the employee is called into court during this period and callback pay is provided as in Section 14.5.

- 14.5. An employee who is called into work outside his normal work schedule will be guaranteed a minimum of three hours pay at time and one-half the adjusted base rate of pay plus Enhancements regardless of the number of hours worked during the work week. This does not apply in the case of scheduled overtime, or if the call-out occurs within one hour of the start of the employee's normal work schedule.
- 14.6. Opportunities to work overtime will be distributed as equally as practicable among employees in the same job classification in the same work section and area starting with the most senior employee, provided the employees are qualified to perform the overtime work required. Overtime and compensatory time opportunities will be recorded and maintained. These records will be available for review by the Union and employees. If an employee establishes that he/she has not received his/her fair share of overtime opportunities, such employee shall have first preference to future overtime work.
- 14.7. Scheduling for overtime and holiday work in the Water/Wastewater Treatment Plant shall be assigned from a rotation list composed of qualified operators grouped by classification, provided a certified operator is on duty at all times, assigned to the Main Control Room. Qualified, certified supervisory personnel may be called upon, at the discretion of Management, for appointment to overtime or holiday work based upon the unavailability of employees with the Operator classification.
- 14.8. By mutual agreement between the employer and the employee involved, compensatory time at the appropriate rate may be granted in lieu of premium overtime pay. Such compensatory time may be accumulated up to 80 hours and is to be used/paid out within the 180-calendar day period succeeding the date on which the overtime is worked. If a written request is received prior to or within 180 days after

the date on which the overtime is worked, the compensatory time off shall, subject to management's responsibility to maintain efficient operations, be scheduled and granted as requested by the employee to be used within the 180 days. If the employer does not schedule the compensatory time in accordance with the employee's request, or at some other time mutually agreed to, prior to the completion of the 180-calendar day period succeeding the date on which the overtime is worked, the employee shall receive a payout at the appropriate rate of pay in lieu of paid time off.

20.6. "Existing Hours" may be used only after an employee has used all "New Hours."

- a. The purpose of paid Sick Leave is to provide protection against the loss of wages by an employee for the necessary absence from duty on a scheduled

workday due to illness suffered by the employee or illness in the employee's immediate family that necessitates the employee's absence from work. Attendance to an immediate family member at a hospital while undergoing serious medical attention shall be included under this provision. Sick Leave pay shall not be made for illness or injury incurred as a result of outside employment, intentional self-inflicted wounds, or the continuous use of drugs or alcoholic beverages (except for approved treatment) or injuries while committing a felony. For purpose of this section, immediate family shall include spouse, children, stepchildren, mother, father, grandparent, grandchildren, domestic partner (as defined by Broward County's registration of domestic partners or any other county/state registration of domestic partners), and dependent mother-in-law or father-in-law.

- b. Employees absent from duty for a period of three or more consecutive working days due to illness or injury may be required to submit a letter from their physician prior to their return, approving resumption of duties. The letter should be sent to the attention of the Director of Human Resources. Those employees whom a Division Head has identified as abusing sick leave may be required to submit physician statements on a more frequent basis.
- c. Any employee who abuses sick pay benefits herein set forth or whose reasons for absence are falsified may be subject to disciplinary action. For purposes of this section, abusing sick leave benefits shall be defined as having incurred more than six occurrences involving the use of Sick Leave during a Fiscal Year (October 1st to September 30th) Discipline may not be invoked if an employee can justify the absence with medical documentation. Medical documentation shall mean information provided by a certified physician providing detailed evidence of the employee's inability to perform work during the absences and may be sent to the attention of the Privacy Officer in Human Resources.

20.7. Upon the death of an employee, any payments due pursuant to Section 4 or Section 5 of this Article shall be paid to the employee's beneficiary. If a beneficiary was not designated, then the payment shall be paid to the employee's estate.

ARTICLE 21 - VOTING TIME

- 21.1. In order to allow the employees an opportunity to vote in National, State, County or City of Hollywood elections and primaries held prior to those elections, employees covered by this Agreement who make a request to their Division Head or Supervisor in charge of the Division may be allowed one hour off without loss of pay at the start or end of their shift, provided such time off does not result in the City having to replace such employee at overtime rates. The Division Head or Supervisor in charge of the Division shall not unreasonably deny such requests, provided the conditions of this Section are met.
- 21.2. In order to be granted time off, an employee must sign a Voting Roster five working days before the election date and present a valid voter's registration card. The Division Head or Supervisor will post a list of personnel and the time off granted at least two working days before the election date.
- 21.3. The City shall grant such requests, provided the requirements of Section 2 are met, and further provided same will not substantially hinder the regular operation of the division.

ARTICLE 22 - CONTRACTING OR SUB-CONTRACTING

- 22.1. If the City is considering contracting out or sub-contracting work, which will eliminate Bargaining Unit positions, the City shall notify the Union no later than 120 days prior to making any final decision. The City shall provide the Union with all financial data relating to the proposal being considered.
- 22.2. The City shall impact bargain with the Union over the issues that will directly affect any Bargaining Unit employee resulting from the proposed contract or sub-contract. The Union shall have the opportunity to present alternative proposals to the administration before the administration submits its recommendations to the City Commission. Thereafter, the Union shall have an additional opportunity to present its alternative proposals to the City Commission prior to the City Commission making the final decision on the matter.
- 22.3. If the decision is then made to contract out or subcontract work to a private or other governmental entity, the City shall request that the entity employ the City's displaced personnel for a period of 18 months at such wage and benefit levels as the displaced employees received from the City on the effective date of the subcontract. However, if the sub-contractor is unwilling to hire the displaced employees with the conditions stated above, the City shall employ the displaced employees in another capacity at no loss of wages or benefits to the displaced employees. For purposes of this Article, a displaced employee is defined as any employee who loses his/her position due to the effect of sub-contracting services otherwise provided by the City. Any employees electing not to be employed by the sub-contractor shall have the right to exercise all rights under this Agreement, including but not limited to transfer, filling vacancies, lay off and recall. Any reduction in force will be handled insofar as practicable through attrition and/or transfer to other positions.

ARTICLE 23 - WORK UNIFORMS AND LAUNDRY

Such employees are responsible for the maintenance and care of the uniform unless otherwise provided for in the Agreement.
- 23.2. The City agrees that it will issue work uniforms to those employees who are required to wear uniforms. The City offers two plan options currently named Open Access Plus plan (“OAP”) and Open Access Plus In-Network plan (“OAPIN”).

The City will contribute 80% of the premium for employees electing single or dependent coverage on the OAP plan and the employee will be responsible for contributing 20% of the premium. Thereafter, the 80% / 20% cost sharing arrangement shall continue in effect with the dollar value of the contributions being subject to premium changes in future plan years.

For the OAPIN plan, the City will continue to contribute 100% of the premium for employees electing single coverage. For employees adding dependents, the City will continue to contribute 90% toward the premium and the employee will be responsible for contributing 10% of the premium. Thereafter, the 90% / 10% cost sharing arrangement shall continue in effect with the dollar value of the contributions being subject to premium changes in future plan years.

Each employee shall have the option of undergoing an annual physical examination through the employee’s physician as provided by the City’s health insurance coverage.

24.2. Health Reimbursement Account. The City shall provide a Health Reimbursement Account (“HRA”) for each employee, with the following amounts made available to each employee each calendar year thereafter, which will be based on the number of dependents the employee has on the City’s health plan in January: \$400 for single coverage; \$600 for single plus one dependent; and \$1000 for single plus two or more dependents.

Beginning January 1, 2024, the HRA funding for the following calendar year (January 1, 2025) will be contingent upon the employee completing a physical at the City’s Employee Health Clinic (EHC). The goal of the 2024 City of Hollywood Wellness

program is to help employees be better healthcare consumers and reward employees for being active, healthy, and completing annual preventive exams. The City will encourage this by offering incentives for employees to complete their biometric screening at the City's EHC, along with a provider follow-up to review. The incentives are \$400 for single coverage; \$600 for single plus one dependent; and \$1,000 for single plus two or more dependents towards employees' HRA for the 2025 calendar year that are currently given to employees without any required targets. This program will be voluntary and offered to all active employees enrolled in the City's medical plan. The biometric screening must be completed in 2024 in order to receive the HRA incentive in 2025. All new hires in the 2025 calendar year will have the ability to earn the incentive after they complete their initial waiting period. The requirements of this section are contingent upon the City opening the EHC on or before July 1, 2024, and may be revised or removed if unanticipated delays in construction or commencement of EHC services occur, which renders Bargaining Unit member performance under this section impractical, illogical, or unconscionable.

Employees who are not covered by City health insurance shall have access only to the single coverage amount in an HRA.

The annual amount shall be available on a "use it or lose it" basis to use for IRS approved unreimbursed medical expenses, with unused amounts being returned to the health fund for use in funding HRA accounts the next year. The HRAs shall be subject to all applicable requirements and limitations set forth in federal laws and regulations.

- 24.3. The City shall provide a dental insurance plan for its full-time and regularly scheduled part-time employees and such dependents meeting eligibility requirements thereof at a total cost not to exceed \$19.00 per employee per month. Any premium requirements in excess of \$19.00 per employee per month will be borne by the participating employee.
- 24.4. Employees hired before July 15, 2009, who have 10 or more years of credited service and are age 55 or older or have 25 years of credited service regardless of age, and

retire upon leaving active service will have the option of continuing under the City's health insurance plan. There will be no cost to the retiree for his/her coverage. The retiree will be responsible to pay the full premium for Dependent coverage. The provisions of this section shall not apply to any employee who retired for any reason prior to April 1, 1988.

Employees cannot buy time for a qualifying event. A retiree shall have the right to continue dental coverage upon retirement provided the retiree pays the designated premium. A surviving spouse shall have the right to continue the health and dental coverage provided the surviving spouse pays the designated premium for such coverage.

Employees who were hired on or after July 15, 2009, but prior to April 6, 2016, who retire from active service with the City with 10 or more years of credited service in the Pension Plan and have reached normal retirement date as defined in the Pension Plan, will have the option of continuing under the City's health insurance plan. They will contribute at the same rate as if they were an active employee for single coverage and they will contribute 100% of the premium equivalent for dependents. Additionally, such employees who continue on the City's plan during retirement shall contribute 100% of the single premium equivalent upon reaching Medicare eligibility.

Employees hired on or after April 6, 2016, shall have the option of continuing under the City's health insurance plan upon retirement. However, they shall be responsible for the entire premium.

Employees who retire with a duty related or non-duty related disability also have the option of continuing under the City's health insurance. Employees receiving duty disability will receive continuing health insurance for themselves and eligible dependents at no cost. Only employees hired prior to April 6, 2016 receiving non-duty disability will receive continuing health insurance for themselves at no cost providing they have 10 years of credited service prior to retirement and they shall be responsible for paying dependent health care. Employees who retire with a duty disability shall have the right to continue their dental coverage for themselves and eligible dependents upon retirement provided they pay the designated premium.

- 24.5. The City shall provide a term life insurance policy in the face amount of \$25,000.00 with double indemnity provision for each employee; such term shall be for the term of active employment of the employee and shall cease upon the employee's separation of service for any reason. Active employees will be covered under the basic life insurance policy and have the option to be covered under supplemental policies if chosen. Participants will be subject to the terms and conditions of the existing policy.
- 24.6. Each employee shall also have the option of completing an annual City sponsored wellness preventative physical with the cost of the wellness preventative physical "Life Scan" paid by the City. The Life Scan includes a comprehensive medical evaluation, ultrasound imaging, cardio-pulmonary assessments, vision and hearing test, and extensive laboratory blood profiles.
- 24.7. The City cares about the well-being of all employees on and off the job and provides a comprehensive Employee Assistance Program ("EAP"). An EAP offers covered employees and family members free and convenient access to a range of confidential and professional services to help address a variety of problems that may negatively affect employee or family member's well-being. For this Agreement, coverage includes 10 free face-to-face or telephonic visits with a specialist, per person, per issue, per year including online material/tools and webinars.
- 24.8. An established health insurance committee exists to study, review and monitor alternative health insurance plans that deliver health services to employees in the most cost-effective manner. This committee may recommend alternative health insurance plan options. The committee's recommendations shall not be binding upon the City. The committee will include an equal number of represented and non-represented employees. The represented members of this committee shall be appointed by the Union.
- 24.9. In recognition of the importance for mental health well-being, the City shall offer employees two paid workdays (either 8- or 10-hour days) on a use-it-or-lose-it basis to promote well-being and wellness beginning after the ratification of this

CBA Between the CITY OF HOLLYWOOD and AFSCME General Local 2432 10/01/22 – 9/30/25

At least one inspection per year shall be performed by a certified agency. If any safety equipment or apparel is required by the City in any work area, such equipment or apparel shall be furnished by the City at no cost to the Employees. Failure of Employees to wear furnished apparel or to use said furnished equipment, or failure of an employee to perform their job in a reasonably safe manner, may result in disciplinary action.
- 25.3. Employees who are required to wear eye protection and wear prescription glasses will be reimbursed the cost differences not to exceed \$50.00 per year, between regular prescription glasses and industrial safety glasses. Prior to utilization, employees shall make a request in writing and receive written approval from their Department or Division Head. Proof of purchase and payment shall be submitted through channels.

If an employee believes he is being required to work under unsafe conditions, he shall notify in writing his immediate supervisor who will investigate the condition within one working day and take corrective action, if warranted. The supervisor will respond in writing to the employee and copy the Risk Manager within two working days. No employee shall be disciplined for refusing to work under unsafe conditions.
- 25.6. The City shall provide waterproof sunscreen lotions with an SPF of 40 or greater to all outdoor City employees. The City will provide an allowance of \$75 annually to full-

time Beach Safety personnel for the acquisition of sunglasses, which will be paid in the last full pay period in March. The City will also provide a changing facility for Beach Safety personnel and protective covers/awnings for the lifeguard chairs.

 - d. If a request to negotiate is timely received with respect to a Proposed Rule, the City and the Union shall meet in an attempt to mutually agree upon the Proposed Rule.
 - e. If the parties agree on the Proposed Rule, the rule will be implemented as agreed upon.
 - f. In the event that the City and the Union fail to agree on a Proposed Rule, and providing the Proposed Rule meets the standards in paragraph b, the dispute shall go to arbitration. The arbitration shall be expedited, and the arbitrator shall be requested and mutually agreed to, by both parties, to make a prompt award without a written opinion. If the arbitrator finds that the Proposed Rule violates the specific written terms of this Agreement or is unreasonable, then

- 26.4. There shall be a single set of Rules and Regulations applicable to all employees of the City. This shall not prohibit any department from adopting written operational procedures specific to the needs of that department. Written operational procedures established by any Department shall be distributed to all employees in that department. Each employee will be provided with the operational procedures and acknowledge in writing his/her receipt of such written operational procedures. - 28.5. Any employee whose name is listed on a recall list who refuses appointment to a position with a lower pay grade will have up to two opportunities to be rehired to a class title with a lower pay grade for a position for which the employee is reasonably qualified. ARTICLE 29 - GRIEVANCE PROCEDURE AND ARBITRATION

29.1. Grievances Generally.

- a. The City and the Union have negotiated a grievance procedure to be used for the settlement of disputes involving the interpretation or application of the Agreement. Such grievance procedure shall have as its terminal step a final and binding disposition by an impartial neutral, mutually selected by the parties. However, an arbitrator or other neutral shall not have the power to add to, subtract from, modify, or alter the terms of the Agreement.
- b. The Union may exercise its right not to process a grievance of a non-union member. Additionally, if the Union declines representation, any employee may elect to process a grievance over disciplinary actions without Union assistance. In such case, the Union will notify the member and the City and upon such notification, the City shall thereafter conduct all official communication directly with the aggrieved employee(s), with a copy to the Union including dates of any hearings. Nothing in this section shall prohibit the Union from participating at any grievance step when it deems it necessary to protect the integrity of this Agreement.

29.2. Any grievance defined as a claim reasonably and suitably founded on a violation of the terms and conditions of this Agreement shall systematically follow the steps outlined below as the Grievance Procedure. Any grievance filed shall refer to the Article (s) of this Agreement alleged to have been violated and shall set forth the facts pertaining to the alleged violation or violations and shall include the corrective action or actions requested by the aggrieved party. A grievance must be communicated in writing to the employer by the Union within 14 calendar days from the events giving rise to the grievance or as soon as might reasonably be known to exist, otherwise it is deemed to be waived.

- Step 1: The written grievance shall be presented to the Department Director or designee. The grievance will be dated and signed by the Union representative, or the aggrieved employee if the Union is not processing the grievance. The Division Head or designee shall acknowledge receipt of the

grievance by stamping it with the date and time, with a copy to the Union. The Division Head shall, within seven calendar days, conduct a meeting between himself/herself, the aggrieved employee(s) and/or the Union representative. The Division Head shall give the decision to the Union in writing, with a copy to the aggrieved employee(s), or the aggrieved employee if the Union is not processing the grievance, within seven calendar days following the meeting date. The parties may agree to mutually skip Step 1 and move straight to Step 2.

- Step 2: If the Union or the aggrieved employee if the Union is not processing the grievance is not satisfied with the decision rendered at Step 1, the Union or the aggrieved employee if the Union is not processing the grievance may, within seven calendar days from the written decision rendered at Step 1, forward the written grievance to the office of the City Manager (stamped in with date and time). The City Manager or designee shall meet with the aggrieved employee(s) and/or his/her Union representative(s) within seven calendar days after receipt of the grievance. The City Manager or designee shall furnish a copy of his/her decision, in writing, to the Union, or the aggrieved employee if the Union is not processing the grievance, within seven calendar days after the meeting.
- Step 3: If the Union or the aggrieved employee if the Union is not processing the grievance that challenges a disciplinary action against that employee (but not a contract interpretation grievance) is not satisfied with the decision rendered at Step 2, the Union or the aggrieved employee if the Union is not processing the disciplinary grievance may, within 14 calendar days from receipt of the City Manager's decision, submit the grievance to arbitration, by requesting a list of arbitrators from the Federal Mediation and Conciliation Service (F.M.C.S.) or the American Arbitration Association (AAA), the choice of agency within the discretion of the Union. Only the Union is authorized to take contract interpretation grievances to arbitration. The request shall seek a panel of 11 names, and either party may request a second panel of names.

The parties shall strike names alternatively from the list of names to select the neutral arbitrator. The award of the arbitrator shall be final and binding on all parties.

29.3. Rules for Grievances and Arbitration processing:

- a. The grievance shall be submitted on an Official Grievance form. Attachments may be added, if needed. The City and the Union, or the aggrieved employee if the Union is not representing the employee, shall mutually agree in writing as to the statement of the grievance to be arbitrated before the arbitration hearing, and the arbitrator shall confine his/her decision to the grievance submitted. In the event the parties are unable to agree on the statement of the grievance to be submitted to the arbitrator, then the arbitrator shall confine his/her consideration and determination to the written statement of the grievance at Step 1 and any defenses raised by the City.
- b. Time limits at any step in the grievance process may be extended only by mutual written consent of the parties involved at that step.
- c. A grievance not advanced to the higher step within the time frames provided shall be deemed permanently withdrawn as having been settled on the basis of the decision most recently given. Failure on the part of the employer or his/her designee to answer or meet within the time limits provided at Step 1 or 2 will cause the grievance to be considered resolved in favor of the grievant or the Union and all parties will abide by the "corrective action or actions requested" on the grievance form or attachments.
- d. Notice that a grievance which is advanced to the next step in the process shall be delivered to the Human Resources Office. Hand deliveries will be documented by a date-stamped photocopy or by a dated signature of the recipient. Grievances delivered via certified mail shall be considered properly advanced as of their postmark but shall not be considered to have been received by the next party until the actual date of delivery or date of refusal of delivery. Grievances deposited in the Union mailbox shall be considered properly advanced when date stamped but shall not be considered received

until picked up by the Union, as indicated by date stamp, with a copy to the City. The clock will start the day after delivery or pick up.

- e. On-duty personnel called by the Union, or the aggrieved employee if the Union is not processing the grievance as a witness shall remain in pay status only during their normal duty hours while appearing at the hearing. Such personnel shall respond to subpoena on as-needed basis to minimize waiting time so as not to disrupt the operations of their department. Hearings shall be held in hearing rooms provided by the City, in City facilities at no charge to the Union.
- f. The parties agree that in accordance with current practice, both the City and the Union, or the aggrieved employee if the Union is not processing the grievance, will have the option of electronically recording (through audio or video tape) all steps of the grievance procedure as outlined in Section 2 above, including the arbitration hearings. Any party desiring a transcript shall bear the cost of such transcript unless both parties mutually agree to share said cost.
- g. The arbitrator's bill shall be paid by the party that does not prevail.
- h. All employees covered by this Agreement shall have no other right to utilize any appeal process (specifically the Civil Service Procedure) other than the grievance procedure described herein.
- i. The City shall furnish the Union with copies of grievances filed by non-Union members as soon as practicable but in no event less than two days prior to the initial meeting of the grievance procedure.
- j. Grievances shall be settled as expeditiously as possible.

 - ii. placement with the employee of a child for adoption or foster care;

 - iv. serious health condition that makes the employee unable to perform the functions of the employee’s job;
 - v. exigency related to active-duty military service by the employee’s immediate family member;
 - vi. up to 26 weeks of leave may be taken to care for a spouse, son, daughter, parent, or next of kin who is a member of the Armed Forces and who is undergoing medical treatment or who is medically unfit to perform military duties due to an injury or illness incurred while on active duty.
- c. Procedure: An employee requesting FMLA is required to utilize all accrued leave benefits before becoming eligible for unpaid leave. Unless otherwise designated in advance by the employee, accrued leave shall be used/deducted in the following order: sick, vacation, comp time, holiday,

and blood time. Use of accrued leave will be counted as part of the family leave time entitlement. An employee is not entitled to accrue leave during any period of unpaid leave.

Employees requiring the use of FMLA Leave must submit a FMLA application to their Division Head no later than 30 days prior to the need for such leave unless it is an unforeseeable emergency. The City may automatically designate FMLA when an absence meets FMLA qualifications.

- i. Leave may be requested on a continuous basis, intermittent basis or on a reduced work week schedule, if medically necessary. The employee must provide medical certification within 15 days of the date requested. The employee must attempt to schedule their intermittent or reduced leave so as not to disrupt the organization's operations. The employee may be required to transfer temporarily to a position with equal pay and benefits that better accommodates recurring periods of leave or a reduced work schedule.
- ii. Upon returning from FMLA, the employee is entitled to return to the same position held when the leave began or to a similar position with equivalent benefits and pay, unless the position would have been eliminated had the employee not been on leave. In such circumstances, the employee may apply for any other vacant position for which they are qualified. Should the leave continue beyond the 12-work week period, reinstatement rights are at the discretion of the City.
- iii. An employee granted FMLA will continue to be covered under the City's insurance plans under the same conditions and coverage as would have been provided if the employee had been actively employed during the leave period. However, if any part of the leave is unpaid, the employee must make payment arrangements for the

benefit contributions that are normally deducted from their paycheck.

- iv. An employee granted FMLA will continue to be covered under the City's insurance plans under the same conditions and coverage as would have been provided if the employee had been actively employed during the leave period. However, if any part of the leave is unpaid, the employee must make payment arrangements for the benefit contributions that are normally deducted from their paycheck.
- v. An employee who is absent from work for three days or more, due to personal illness/injury, must provide Human Resources with a fitness-for-duty certification signed by their physician certifying their fitness to return to work. If restrictions are listed, reinstatement will be at the discretion of the City.
- vi. An employee who fails to return to work on the date specified on the leave request form without receiving an extension in advance is subject to disciplinary action up to and including termination. Employees who do not return from FMLA leave must reimburse the City for the value of their health insurance premium payments made on their behalf during the duration of the leave unless the employee is physically unable to return to work.

30.2. Special Leave:

- a. An employee who incurs a temporary medically disabling condition, not attributable to work, may upon written request be granted a Special Leave. The initial period for said Special Leave shall not exceed three months. Upon further written request, the Division Head may extend such leave up to an additional nine months. The total combined Special Leave shall not exceed 12 months. Upon return, the employee shall present a letter from his/her physician stating that the employee is fit to return to full, unrestricted duty.

- c. An employee requesting Special Leave is required to utilize all accrued leave benefits before becoming eligible for unpaid leave. Employees will not receive holiday pay, or earn any accrued leave or pension benefits, or be entitled to any other benefits of employment other than health and life insurance (at the employee's expense as stated in Section C. 3, above) while on any unpaid leave.
- d. An employee who incurs such a temporary medically disabling condition during a probationary period may, at the discretion of the Division Head and City Manager, be granted a Special Leave as indicated above. If Special Leave is granted, the employee's probationary period shall be suspended at that point. Upon the employee's return to work, the probationary period shall be resumed so that the total number of months spent on special leave shall be spent in a probationary status and a full probationary period shall be served.

30.3. Leave of Absence:

- a. Upon written request, a leave of absence for a period not to exceed 30 calendar days may be granted to an employee for any reasonable purpose by the Division Head so long as it does not hamper the efficient operation of the City and/or Department.
- b. Such leaves may be renewed or extended for a period up to 60 calendar days, if requested in writing and approved by the City Manager or designee. The denial of a leave of absence under this section shall not be grievable. The Police Chief and Fire Chief, in their sole discretion, shall determine which job classifications are required to work on observed holidays and will be therefore eligible for the two floating holidays. ARTICLE 42 - SENIORITY

42.1. Definitions

- a. Seniority, as used in this section, is defined as the right accruing to employees through length of continuous service that entitles them to certain considerations and preferences as provided for in this Agreement. Seniority shall mean the length of continuous service an employee has with the City beginning with the date of hire. When there is a tie in Citywide seniority, the City will use the date stamp on the original application (for original appointment) for breaking the tie.
- b. Probationary employees shall have no seniority rights. However, upon completion of an employee's probation, he/she shall be given seniority credit from his/her date of hire.
- c. An employee's continuous service record shall be broken by voluntary resignation, lay-off, discharge for just cause and retirement. If an employee returns to work for the City in any capacity within five years of date of leaving, his/her seniority date will be adjusted by the length of absence.
- d. Part-time employees' who accept a full-time position must terminate employment as a part-time employee and commence in the full-time position as a new employee with a new hire date and shall not maintain their seniority. The position(s) listed in Section 42.1(e) are explicitly excluded from the terms of this provision.
- e. Part-time Ocean Lifeguards who accept full-time Marine Safety Officer positions shall maintain their vacation and holiday accruals earned as part-time Ocean Lifeguards but shall not maintain their seniority.
- f. Employees on approved leaves of absence shall not be considered to have had a break in service.
- g. There shall be no deduction from continuous service for any time lost that does not constitute a break in continuous service.

42.2. Use of Seniority

- a. Seniority will be used as provided in Article 14, Work Scheduling and Overtime, Article 28, Lay-Off and Recall, and Article 37, Vacations.
- b. The following priority factors will apply when making routine permanent shift assignments and work schedules within a job classification, unless a particular work group within a division unanimously agrees to continue the existing practice:
 - i. Efficient operation of the Department.
 - ii. Ability to perform the assignment.
 - iii. Seniority in time in grade.
 - iv. When “ability to perform the assignment” and “seniority in time in grade” are relatively equal, seniority shall govern.
- c. Should a senior employee be excluded from a work schedule/shift assignment because of Section 42.2(b)(i) or (ii) above, the employee will be informed, if requested, in writing of the specific requirements.

ARTICLE 43 - PREVAILING RIGHTS/BENEFITS

43.1. All prevailing rights/benefits of employment specifically included or specifically referred to in this Agreement, in addition to and including those stated or referred to in Section two and Section three below shall be maintained in full force and effect for the duration of this Agreement.

43.2. If a recognized prevailing past practice is challenged by the City or the Union, the City and the Union agree to hold an informal hearing mediated by Federal Mediation and Conciliation Service (“FMCS”) to determine if the matter in question is indeed a past practice.

If it is determined that a past practice exists, the City and the Union will negotiate a Letter of Understanding to become part of the Agreement. If the parties do not agree, they will take the matter to instant arbitration with a binding decision.

43.3. The City will maintain its existing policy with respect to:

- a. Shower time for Water and Wastewater-Treatment personnel, Underground Utilities personnel, and Beach Safety.
- b. Permanent, non-rotating shifts by assignment:
 - i. utilities plant personnel;
 - ii. police civilian personnel, excluding I.D. technicians and Community Service Officers.
- c. Donation of sick leave, vacation leave, or compensatory time to disabled employees (otherwise known as the Sick Leave Pool), attached hereto.

ARTICLE 44 - WORKERS' COMPENSATION/SUPPLEMENTAL COMPENSATION

44.1. An employee becomes eligible for Workers' Compensation benefits due to a job-related injury or illness shall receive a full paycheck from the City while in a workers' compensation status for up to 13 consecutive weeks from the date of injury or illness (regardless of when the first date of lost time due to that may illness/injury thereafter occur), with the identical wages and benefits which he would have received had he not been injured and had he continued to work his regularly assigned City assignments ("Supplemental Compensation").

In the event a full-time employee, as determined by a City designated physician, is unable to return to work after 13 weeks from the date of the injury or illness, the situation will be reviewed by the City Manager or designee. The City Manager or designee shall extend the period of regular pay for up to an additional 13 weeks (for a maximum of 26 weeks). An employee may request an additional extension up to a maximum of nine weeks beyond the 26 week eligibility period that began on the date of the employee's workers' compensation injury/illness, provided the employee's written request for extension, with supporting medical information, is received by the City at least 14 days before the expiration of the 26 week eligibility period that began on the date of the employee's workers' compensation injury/illness. The decision to grant or deny this request for an additional extension of up to nine weeks shall be made in the sole and exclusive direction of the City Manager or designee, and that decision is final and shall not be subject to appeal or challenge via the grievance procedure found in this agreement or in any other forum.

Eligibility for the Supplemental Compensation benefit provided to those employees in workers' compensation status under this Article shall never exceed the maximum of 26 weeks from the date of the employee's workers' compensation injury or illness, unless the eligible employee timely submits and is approved for an additional extension of up to nine weeks, in which case the eligibility for the Supplemental Compensation benefit under this Article shall never exceed 35 weeks from the date of the employee's workers' compensation injury or illness.

An employee who remains in workers' compensation status but who has returned to work during the 13 week, 26 week, or 35 week eligibility period, shall be paid their regular pay for time missed from work during the applicable eligibility period on an occasional or intermittent basis to attend a required workers' compensation doctor visit or medical treatment and, as a result, they shall not have to use their own accrued or unpaid time for the work time missed to attend that required workers' compensation doctor visit or medical treatment during the 13 week, 26 week or 35 week eligibility period that began on the date of the employee's workers' compensation injury or illness.

- 44.2. An injured employee receiving Workers' Compensation benefits shall be evaluated by physicians chosen by the City. In determining the employee's fitness for duty, the City Manager shall base his determination upon the tasks and duties performed by the employee as set forth in the employee's Position Description, which shall be provided to the physician. In the event that the employee may return to work in a limited or restricted capacity, based on the City physician's evaluation, the employee would be permitted to perform duties on a temporary basis outside of their normal job classification and/or assigned department or division at their regular rate of pay. A determination of appropriate duty will be made based on the restrictions by the Director of Human Resources. When an employee has been assigned to another Department/Division, that employee will report directly and be supervised by that Department/Division. The supervisor within the new Department/Division will notify the employee's original Division of changes in the employees' status. The parties agree to regularly meet and discuss the status of the employee's assignment relative to the restrictions, the efficiency and productivity of the alternate assignments. In the event that the City Manager, based on the City physician's evaluation, determines that an employee is physically capable of returning to work and performing his regular duties, the employee shall return to work on his next regularly scheduled workday. If the employee disagrees with the City Manager's determination returning him to work, the employee may appeal that determination utilizing the State of Florida Workers' Compensation Statute. There shall be no appeal of this determination utilizing the grievance procedure set forth in this Agreement. If it is determined under the Workers'

Compensation Statute that the employee was improperly ordered to return to work by the City Manager, the employee, in addition to his benefits under Workers' Compensation, shall receive from the City retroactive from the date that the City ceased payment to the present all Supplemental Benefits as set forth in this Article to which the employee would have been entitled had the City not improperly ceased payment.

- 44.3. In the event that the City Manager, based on the City physician's evaluation, determines that an employee injured on the job is no longer capable of performing his regularly assigned tasks and duties as set forth in his Position Description, the employee, if he disagrees with said determination and seeks to return to his former City position, shall have the right to obtain and submit to the City opinions/determinations from private Physicians that the employee can perform his regularly assigned tasks and duties as set forth in his Position Description. In the event of disagreement of physicians, the parties shall each submit the name of one physician who specializes in the field of medicine involved with the two submitted physicians mutually selecting a third physician who shall examine the grievant and determine if the employee is capable of performing his regularly assigned tasks as set forth on his Position Description. The third physician's determination shall be final and binding on all parties.
- 44.4. Nothing in this Article is intended to deprive and/or shall deprive an employee of any rights and/or benefits to which he is entitled under the provisions of this Agreement, any applicable Local Ordinances, or State or Federal Statutes.

ARTICLE 45 - CLASSIFICATION EVALUATION AND REVISION

- 45.1. It is the sole responsibility of the City to determine the job content, qualification requirements, duties, and the relative significance to the City's operation of each job within the Bargaining Unit. Whenever there is a proposed change to a position title, classification, or position description concerning the content, qualifications, and/or duties of a position within the Bargaining Unit, the City will bargain with the Union over the proposed change at least 20 calendar days prior to implementation of the change. The terms "job description," "class specification," and other similar phrases are all synonymous with the term "position description." Copies of any changes will be furnished to the Union during this review period. Should the City fail to notify and, if requested, bargain the proposed changes with the Union, such changes will not be implemented.
- 45.2. A request to study an individual position may be initiated by an employee if the employee believes that his/her position has changed so substantially as to warrant a change from his/her existing classification, title, and/or position description to another existing classification, title and/or position description. Change request(s) shall be submitted to the Office of Human Resources for internal study and review. Each request shall contain specific details in support of the request. Any changes recommended by the City as a result of the provisions of this Section shall be implemented according to Section 4 of this Article.
- 45.3. A request for study of an individual position may be initiated by the Department or Office Director if he/she believes that the position has changed so substantially as to warrant an evaluation and revision of an employee's existing classification, title and/or position description to another existing classification, title and/or position description. Such request shall first be discussed with the concerned employee for comment and then forwarded to Human Resources for internal study and review. Each request shall contain specific details in support of the request. Any changes recommended by the City as a result of the provisions of this Section shall be implemented according to Section 4 of this Article. This provision will only be used to consider an upgrade in the requested classification.

- 45.4. For requests as outlined in Sections 2 or 3 of this Article, the Human Resources shall report its findings and recommendations to the City Manager within 90 days of receipt of the request. Copies of the findings and recommendations shall also be sent to the Department/Office Director and the employee. If a proposed change is approved by the City Manager, the change, and any pay adjustment, if applicable, will become effective at the beginning of the pay period following the approval. Any approved change in classification, title, and/or position description will not alter the performance review date for the employee.
- 45.5. Limits: Reclassifications will be limited to less than 25% increases. Any reclassification determined by the City and agreed to by the Union of a 25% or more pay increase must be filled through the Civil Service process rather than the reclassification process.
- 45.6. Wage Increase: Wage increases for reclassification will be 5% of adjusted base rate of pay. If 5% of adjusted base rate of pay is less than the start of the pay scale, then the reclassification will result in the start of the new pay scale.
- 45.7. Eligible employees: Employees must have been in their present position at least six months prior to requesting a reclassification. However, this does not preclude the City from reorganizing and initiating negotiations with the Union for positions where incumbents have less than six months' experience, or for vacant positions.
- 45.8. Employee Commitment: Any employee receiving a reclassification to a higher pay grade will not seek a promotion or lateral transfer for at least six months.

ARTICLE 46 - SHIFT DIFFERENTIAL

- 46.1. Employees assigned to shiftwork where their work hours fall between 12 midnight to 8:00 A.M. shall receive an additional \$0.90 per hour.
- 46.2. Employees whose shift is scheduled from 4:00 A.M. to 12 noon shall be given a shift differential of \$0.90 per hour only for hours worked between 4:00 A.M. to 8:00 A.M.
- 46.3. Employees whose shift is scheduled from 12 noon to 8:00 P.M. shall be given a shift differential of \$0.70 per hour only for hours worked between 4:00 P.M. and 8:00 P.M.
- 46.4. Employees assigned to shiftwork where their work hours fall between 4:00 P.M. and 12 midnight shall receive an additional \$0.70 per hour for all hours worked.
- 46.5. Employees whose shift is scheduled from 8:00 P.M. to 4:00 A.M. shall be given an additional \$0.80 per hour.
- 46.6. The provisions of this section shall not apply to any employee who is called in to work non-shift overtime.
- 46.7. Employees who work in departments where a regular 24 hour operation exists shall be paid as follows:
 - a. 4:00 p.m. to midnight or when the hours assigned are between these hours shall be given an additional \$0.85 per hour.
 - b. Midnight to 8 a.m. or when hours assigned are between these hours shall be given and additional \$1.25 per hour.
- 46.8. Shift differential pay shall not apply to employees in the positions of Plant Operator I – Rotator or Plant Operator I Trainee – Rotator.

ARTICLE 47 – DRUG-FREE WORKPLACE

- 47.1. The City and the Union recognize the requirements of the U.S. Department of Transportation’s Drug and Alcohol Testing Program for Employee Drivers of Commercial Motor Vehicles and, as such, the City and the Union support the City’s policy (as revised on January 1, 2004) for testing those individuals who are mandated to be tested by the Federal Law and under the guidelines of the City Testing Program.
- 47.2. The City and the Union continue to support the concept of a drug and alcohol-free work environment for all City employees and to this end, the City and the Union agree that all employees must abide by the Employment Rules and Regulations, sub-section, (P) “Chemical Intoxication,” that are in effect as of January 1, 1997, which states as follows:

CHEMICAL INTOXICATION

Should an employee have reported for duty, is on duty, found upon City property or is operating a City vehicle while under the influence of or while in possession of an alcoholic beverage, or any non-prescription narcotic, barbiturate, mood-ameliorating, tranquilizing, hallucinogenic, or any non-prescribed controlled substance, they shall be deemed to have consented, as a condition of employment, to a breath and/or blood and/or urine analysis when ordered by the City Manager, the employee’s department head or any police officer to take such a test. The presumptions for being under the influence of an alcoholic beverage, chemical substance or controlled substance shall be based on prudent judgment and in accordance with applicable statute. A refusal to obey an order to take such a test under the circumstances described in this section shall be independent grounds for disciplinary action.

- 47.3. Except as stated below, as a condition of continued employment for all employees hired after April 7, 2006, the parties agree that such employees are prohibited from any on or off duty smoking or other use of any tobacco products. The parties agree, however, that this section does not apply to employees hired by the City prior to

CBA Between the CITY OF HOLLYWOOD and AFSCME General Local 2432 10/01/22 – 9/30/25

ARTICLE 48 – EDUCATIONAL REIMBURSEMENT PROGRAM

- a. To be eligible to participate in the Educational Reimbursement Program, a newly hired employee must have achieved permanent status by successfully completing the probationary period.
 - b. Employees must receive “satisfactory” or better Employee Performance Evaluations prior to the beginning of the course work.
 - c. Employees shall only be reimbursed for one job related degree at each level (e.g., one Associates or one Bachelor’s or one Master’s level degree).
 - d. Full time Marine Safety Officers may be reimbursed for classes taken to obtain a paramedic certification under the provisions of this educational reimbursement program.
 - e. Employees shall be limited each fiscal year to a maximum total of \$3,000.00 annually for tuition reimbursement costs.
 - f. Employees who receive benefits under this program, who voluntarily leave the City’s employment within two years of receiving such benefit, shall be responsible for reimbursing the City for the entire cost of the benefit.
 - g. The City Manager retains the discretionary authority to further limit or discontinue the tuition reimbursement program at any time in a fiscal year based on the availability of funds.
- 48.2. Employees will be eligible for City reimbursement for the costs of books and tuition in the following manner:
- a. In order to be considered for the Educational Reimbursement Program, all course work must be taken at an accredited college or university and must be properly approved prior to the beginning of the class by the City Manager

- c. Reimbursement will be for courses leading to college or post graduate degrees. Reimbursement will be provided for approved on-line coursework.

For eligibility for subsequent calendar years, their hours will be evaluated each October.

New employees who the City anticipates will work between 15 and 29 hours will have a 12-month look-back provision for health insurance eligibility. In other words, a newly hired employee's hours will be analyzed on his/her anniversary date to determine if he/she is eligible for health insurance for the next calendar year. If he/she is eligible, he/she will have the option of obtaining health insurance for the next calendar year. For years thereafter, their hours will be evaluated each October for health insurance eligibility for the next calendar year.

APPENDIX III: SICK LEAVE POOL POLICY

HR-060 SICK LEAVE POOL
REVISED DATE: OCTOBER 3, 2016
LAST REVISION: JANUARY 1, 2004

PURPOSE: The purpose of this program is to establish a Sick Leave Pool from which participating employees may receive benefits in cases involving non-work related catastrophic or long-term illnesses or injuries. Catastrophic injury or illness is defined as a severe condition or combination of conditions affecting the mental or physical health of the employee which has resulted in a life-threatening condition and/or has had a major impact on life functions. Such life functions shall include, but are not limited to, the loss of physical senses, the loss of physiological processes or the loss of limb. This program is not intended to supplement or replace the short-term use of sick leave benefits.

POLICY:

An eligible employee may voluntarily enroll in the sick leave program. By enrolling, the eligible employee authorizes the City to deduct sick or vacation leave to be charged from his/her accrued leave balance and transferred to a City-wide Sick Leave Pool account. This transfer is not refundable to the participating employee account but entitles the employee to participate in certain extended sick leave benefits. This benefit shall not conflict with personnel policies relative to the approval of sick leave or in existing labor contracts.

There shall be a Sick Leave Pool Committee comprised of the Director, HR, one member of the Executive Board of AFSCME, Local 2432, one employee classified under the AFSCME Collective Bargaining Agreement, one member from a Management Classification and one member from the Non-Represented Pay Plan to administer the Sick Leave Pool. One additional professional staff member of HR shall serve as an ex-officio member of the Committee and will represent the Director, HR his/her absence. The role of the Committee shall be to coordinate the review and approval process of individuals receiving benefits from the Sick Leave Pool. The decision(s) of the Committee affecting all aspects of the program will be determined my majority vote.

PROCEDURE:

1. Participation in the Sick Leave Pool shall be voluntary. Regular full-time employees within the General and Supervisory Employee ranks (non-sworn Fire and Police personnel), including all Senior Executive, Executive, Management, Professional, Technical and Confidential employees, may participate in the Sick Leave Pool after completion of one year of employment with the City as determined by January 1st in the first year of the program and October 1st for every year thereafter in any given calendar year and provided that such employee has a minimum accumulation of 96 hours of sick and/or vacation leave prior to the transfer of any sick or vacation leave to the program.

A participating employee may be granted Leave from the Pool only after depletion of all personal accrued sick, vacation, and compensatory leave credits. Sick leave withdrawn may only be used for non-work related catastrophic, long-term illnesses or injuries of the participating employee. The participating employee may initially be eligible to receive up to 90 days of leave from the Sick Leave Pool Account. Requests for additional Leave from the Pool are subject to approval by the Committee. Employees are encouraged to submit request for hours before the hours are needed or as soon as possible.

2. Eligible participants must contribute eight hours of accrued sick or vacation leave to initially enroll in the Pool. If the Committee finds that an insufficient amount of Leave exists in the Pool, more specifically, if the accumulated amounts drop below 2000 hours, additional leave requests may be made from all participants. All leave contributed to the Pool shall be removed from the participating employees' leave accounts by the Payroll Office and shall be placed into the Sick Leave Pool Account. Participating employees will be required to re-enroll on an annual basis to continue participation in the program. Once enrolled, the requested amount of accumulated sick leave hours will be automatically deducted from the designated leave accounts of participating employees and credited to the Sick Leave Pool Account. Use of the Sick Leave Pool Account will be monitored by HR and the Payroll Division.

3. A participating employee shall be allowed to "donate" to the pool up to eight hours of any unused or unpaid sick or vacation leave from his/her individual leave balances at the time of retirement or at the end of each leave year (September 30th). The 10 days of mandatory use of vacation leave by Senior Executive, Executive, Management, Technical, Confidential, and Professional employees may not be used toward the contribution of time for the Sick Leave Pool.
4. Participation requests shall be made in writing to HR. Prior to authorizing the use of leave from the Pool, the Sick Leave Pool Committee shall require medical certification of the accident, illness, or injury for the individual in which the use of Pool Leave is requested and any other medical information concerning anticipated duration of the condition and outlook for recovery. HR will require a U.S. Department of Labor Certificate of Health Care Provider for Employee's Serious Health Condition completely filled out by the employee's attending health care provider to accompany the request for sick leave pool hours. The official sick leave record of the requesting employee may also be reviewed prior to any authorization of sick leave pool benefits. Such review will be used to determine if an employee has abused his/her sick leave prior to the request of leave from the Pool. All medical records and information shall remain confidential with the Sick Leave Pool Committee.
5. A participating employee who withdraws sick leave hours from the Pool will not be required to replace those hours, except as a regular contributing member of the Pool.
6. Any Leave hours contributed to the Sick Leave Pool will be permanently forfeited to the pool and shall be used exclusively for the purpose of carrying out the Pool's objectives.
7. Any sick leave contributed to the Sick Leave Pool by a participating employee shall be forfeited upon the employee's cancellation of membership in the Pool, retirement, or termination from City employment.
