A hard copy can be obtained at Union Hall.

Highlight 2: Legislative Changes.

The Bill will go effect on July 1st, 2023.

The Florida Senate passed a bill that would undermine the existence of unions. One of the new requirements that Senate implemented is that each member will have to rejoin the union every year register and pay dues. **Membership has to exceed 60%.** And Unions must collect their own dues. The Union will be reaching out for members to sign re-commitment forms to renew their Union membership. **Without 60% membership, we become at-will employees and lose our contract rights!**

The City has agreed to maintain dues collection as our contracts have been ratified and signed before the effective bill dates. Per Florida Law, existing contracts will not be affected until the contract expires.

Highlight 3: Lunch on Us!

Due to recently implemented legislative changes issued by the Governor, we have placed this venture on hold until later in the year.
