AFSCME endorsed candidates up for elections in November 2022:

Traci L. Callari District 3

Commissioner Callari has proven to be a proactive and true voice for the community in which she serves. She is very involved and concerned not only with safety in our community, but also the preserving of green space as well as focusing on smart development. In addition to beautification and focusing on a safe, family-friendly community, Commissioner Callari implemented the first Youth Ambassador Program in Hollywood which focuses on developing youth leadership. Commissioner Callari believes there is no greater gift than the gift of service to others. With a passion for public service, and the ability to motivate and mobilize people to action, Commissioner Callari was elected to the City of Hollywood Commission on November 6, 2012 and is committed to representing and improving the quality of life in her District and across the City.

Kevin D. Biederman District 5

An active member of the community, Commissioner Biederman has served on many different City committees including the Charter Review Committee, Citizens Transportation Committee Chair, Education Advisory Board Vice Chair and Human Services Advisory Board. He was a 2007 All-America City Delegate and was the Florida Jaycee's Outstanding Pioneer in 2012. Commissioner Biederman is very involved with our youth and future leaders. He attends Career Day for local schools each year. He also is mentoring a student through the Hollywood Youth Ambassador Program.

AFSCME Stewards and Members: we will need your assistance in volunteering with upcoming elections

If anyone interested and willing to volunteer, please contact AFSCME Secretary and Steward Agne Treciokiene at agne.treciokiene@local2432.com

In the Spotlight

Below is Rhonda Felder testimony of her experience with Eastern Gateway Community College.

Eastern Gateway Community College's Business Management certificate program has been such a great opportunity. I gained a data analytics certification that will allow me to add database skills to my current toolbelt or take my career in a whole different direction. I have not only learned new things, but I enjoyed many benefits of the college experience like a great library, academic coaching, and career guidance. The value has been great! Rhonda Felder

To find out how more about big benefits and big savings as an AFSCME member, go to the Union Plus website at <https://www.unionplus.org/>.

Unfortunately, this no-cost college tuition program is no longer available as a benefit for AFSCME members and their families due to circumstances out of our control.

There is still hope and other available option for the free tuition. Continuation at no cost should not be an issue for any student who qualifies for a Pell Grant.
