In the Spotlight

Employee highlights.

Warren Winsgton, an ASE Certified Automotive Technician by trade. I am also a Union Steward, and Trustee at the AFSCME Local 2432. I was introduced by our Local 2432 Office Manager Denise Delaine, to the Union College assistance program for undergraduate degree. The program helps AFSCME Members with tuition assistance.

Currently, I am in my second year of attending Eastern Gateway Community College E-Ecourse(EGCC). I'm pursuing an Associate of Arts in Business Management (AAB). I decided to participate in an online college program because I always wanted to further my education and sharpen my skills.

Moreover, this experience has taught me meaningful lessons that a classroom can't provide. I have enjoyed online learning experience. I look forward to advancing onto Central State University to pursue my Bachelors in Business Administration.
